For much of the past two years, exercise was one of the few activities permitted outside the home. For many of us, exercise played an important part in keeping us fit and healthy, in every sense. However, what most of us missed was the social side of health and fitness. The time spent with friends, family, teammates – and opponents – using our skills and having fun together.

The 2022 Victoria Police & Emergency Services Games is therefore a great opportunity to celebrate what sports brings to our lives – competition and camaraderie. Whether it's to shift those last remaining COVID kilos or to deploy your newfound level of fitness, I encourage you all to join in. Pick an event and form a team of your workmates or test yourself in an individual event.

I'm confident we can build on the success of the 2021 Games held in Geelong, which attracted nearly 2400 participants from 30 different police and emergency services sector agencies in an array of sports. The most popular sports then were the soccer sevens,

netball, golf, lawn bowls and angling, with a big increase in participation in the equestrian events.

The 2022 Games to be held across metropolitan Melbourne and regional Victoria will include the new events of powerlifting, mountain bike riding in the magnificent setting of Mt Beauty, and surfing at the Urban Surf wave pool in Tullamarine. There will also be a full triathlon, run in partnership with the Western Suburbs Triathlon Club, which to me perfectly demonstrates how these Games can engage positively with local communities.

With these additional events, and the confidence that every event will be held under a COVID Safe Plan, I hope we can break the 3000-mark for number of participants this year.

I thank the Victoria Police Games Federation for all the effort they have put in to organising this tournament, as they have every Games since 1981, and I congratulate them on continuing to develop this major event.

I wish every participant good luck and, most importantly, good times.

The ball's in your court!

SHANE PATTON, APM
Chief Commissioner
Victoria Police

As the President of the Victoria Police Games Federation (VPGF), a position I am proud to hold, I am honoured to launch the 2022 Victoria Police and Emergency Services Games.

We all know the benefits of an active lifestyle and the positive impact it can have on our physical and mental health and wellbeing. Finding time for family, friends, sport or exercise is a challenge we all face, but it is particularly important for those working in the emergency management sector. The Victoria Police and Emergency Services Games are about more than competition – they are an opportunity for us to come together, prioritise our own physical and mental health, and invest in the friendships that characterise the spirit of the Games.

The 2021 Games were an outstanding success as we celebrated our 40th Anniversary. Despite the continual threat of interruptions due to the coronavirus pandemic, it was terrific to see nearly 2400 participants from 30 different agencies take part in a condensed version of the Games, mostly in Geelong. Personally, it was great to be involved as I competed in the 10km cross country run on the final day.

Congratulations to Corrections Victoria on winning the 2021 Inter-Services Trophy and the Transit and Public Safety Command on winning the 2021 Chief Commissioners Trophy. But more importantly, congratulations to everyone who took part. There was wonderful comradery between the agencies and participants which confirmed why these Games are so important to our members.

The high-quality venues and facilities in Geelong made the experience more enjoyable and we were grateful for the City of Greater Geelong's support in bringing our Games

to life. Thanks to Emergency Management Victoria, each participant received a commemorative 40th Anniversary backpack and badge which added to their overall experience.

A 40th anniversary function held in Geelong was one highlight of the Games. Here we recognised the contribution of sports coordinators, agency representatives, committee members and volunteers who had given 5 or more years' service to these Games. I was honoured to be in the company of so many wonderful people who have supported and assisted with the Games since the beginning in 1981.

I am very much looking forward to the 2022 Games as we return to our usual schedule and format with sports being offered over a ten-day period across metropolitan Melbourne and regional Victoria. The VPGF Committee and its stakeholders have worked tirelessly to bring you these Games. We are alert to the ongoing coronavirus pandemic and participants can be reassured that all sports will be carried out in a COVID-safe manner, adhering to the latest health guidelines.

We are extremely grateful for the sustained support of our corporate partners and thank them for their investment in the 2022 Games. ESSSuper, APS Benefits, Transurban and BankVic are continuing as valued partners. Web developers FUSESport will again provide their generous support for our online registration portal and Games website. Their contribution is vital and will ensure that up-to-date information is available for all events and activities throughout the ten days of competition.

To our participating agency CEOs, senior executives and leaders, thank you for continuing to encourage your employees to prioritise their health and wellbeing by taking part in the Games.

Finally, the Games are significant because of the diverse range of competitors coming together from our participating agencies. I encourage everyone to get involved in as many sports as possible and be part of the fun.

Let's all start preparing for the 2022 Games now to make them a resounding success. Join with a friend, form a team, make a commitment to compete yourself, encourage others to participate or volunteer.

It might just be you or your team standing proudly on the podium at the end of the 2022 Games!

RICK NUGENT, APM

Deputy Commissioner, President – Victoria Police Games Federation

GOLD PARTNERS

Our cities are growing fast; and we're all about keeping cities moving. We do everything from building new roads to researching new vehicle and road safety technology – and in everything we do, we're looking to help people get where they want to go, as quickly and safely as possible. Thank you to all emergency services for your tireless efforts and for working with us on the road to help keep people safe and on the move.

The Victoria Police & Emergency Services Games are proud to support the RUN THE TAN 2022 showcase running festival on 24th April and invite our agency members to register for the Emergency Services event and raise money for the **EMERGENCY SERVICES FOUNDATION**.

Register here – www.runthetan.net/

Registration and entry to the 2022 Victoria Police and Emergency Services Games is on-line ONLY. To register, please go to www.emergencyservicesgames.org.au. All registrations and payments for events are done through the online portal. All participants will be required to create their own new account or use their previous account. Registrations for all events will open in December 2021 and close 17th March 2022. The Games will run from 18th to 27th March 2022.

There is a standard registration fee of \$10 per participant and is required upon registration. Payment of this fee covers:

- Registration processing
- Website development
- Postage and volunteer costs

Sports fees are also required and are applicable to each sport and competitors may enter as many sports as they wish, paying the appropriate sport fee for each sport.

Payment of this fee covers:

- Medals
- Venue costs
- Equipment and catering costs
- Umpires, officials and prizes

Payments are only accepted online via the registration portal. The portal uses the PayPal gateway so participants can either use their PayPal account to pay their fees or payment can be made via credit card. No payments of cash will be accepted at any events.

Event Entries on the day: Entry into events on the day of competition, at the event venue, will generally not be permitted. Competitors must have registered and paid online prior to the commencement of the event as specified above. Some exceptions do apply – please contact the relevant Sports Coordinator.

Enquiries regarding your individual sporting event are to be directed to the respective Sports Co-ordinator in the first instance. For any registration queries or general information about the Games, contact the Victoria Police Games Federation Office on 0418 998 233 or via email to adam.drinkwell@police.vic.gov.au

COVID Regulations: Due to the ongoing threat of Coronavirus in the community, all events will have a strict COVID Safe Plan in place. All participants,

as well as officials, coordinators, volunteers and support staff must follow these plans as well as any other COVID directions at their venue. Participants must wear a mask when required and must sanitise their hands regularly, maintain social distance when required, and should not attend any event if they feel unwell. Participants must ensure they have checked the listed exposure sites before they attend their event/s and must follow all guidance provided by the Department of Health. For the latest information on COVID, please visit www.coronavirus.vic.gov.au

In the Conditions of Entry, you must have had an approved COVID vaccination to participate (medical exemptions apply). Please note that you may not be eligible to enter your venue if you cannot provide proof of your vaccination status. The VPGF is committed to providing a safe environment for all its participants, coordinators and volunteers and supports the governments advice on COVID vaccinations.

Refund Policy: After the official close of registration date, a competitor who withdraws from any competition will not be eligible for a refund unless they have endeavoured to notify the relevant Sports Co-ordinator or the Games Office at least **two days prior** to their event. Notifications of withdrawal must be made by individuals only either by email or phone call to the Sports Coordinator or the Games Office. *Any notification received outside of this period will be at the discretion of the Games Office as to whether a refund will be applied.* A refund of **sports fees only** shall be made available when the entrant withdraws due to illness or injury; family tragedy; unexpected 'on duty' requirement or emergency situations; or any other circumstances to be considered by the Games Federation.

Participants are only eligible for a **full refund (registration & sport fees)** if:

- their event is cancelled or moved to another day and they can't compete.
- If a competitor has entered an event after the maximum number of competitors has been reached, but before the advertised close of entries (if this event is the only event they have entered).
- If they need to withdraw due to a COVID case.

Should a registered participant fail to compete and not notify their Sports Coordinator, or the Games Office of their absence as described above, they are

not entitled to a refund of any kind.

Any refunds will be processed through the Fusesport online system and Paypal gateway with refunds returning to the original credit card that was used when registering.

Event Cancellation: Any sport or event may be cancelled by mutual agreement between the respective Sport Co-ordinator and the Games Federation. It is the responsibility of the Sports Co-ordinator to contact all competitors when an event is cancelled. Agency Representatives are also available to assist in this instance. In these circumstances a full refund of the registration and sports fee will be made available to the individuals concerned.

Maximum/Minimum Number of Participants:

Some sports may set a maximum number of participants due to competition and /or venue restrictions. If a competitor has entered an event after the maximum has been reached and was received late and after the advertised close of entries, the entrant shall only be eligible to receive a refund of the sport fee. Every sport has a minimum number required for the competition to proceed. If a minimum number is not reached, then the sport will be cancelled. In this case, the event cancellation policy will apply

Public Liability Protection: All sporting events in the Games are covered for Public Liability Insurance under the banner of Victoria Police.

Personal Injury Cover:

Victoria Police: The Victoria Police Games Federation **strongly encourages** all participants to have their own private health insurance including Ambulance cover. Victoria Police employees only competing in the Victoria Police and Emergency Services Games are afforded personal accident protection under the banner of Victoria Police if they participate whilst 'Off Duty', and if they are registered as competitors (i.e. if they have completed the necessary online Entry and Administration/Registration and paid the respective fees). Victoria Police members are encouraged to contact their WorkCover representative for further information.

Other Participating Agencies: Participants from all other affiliated agencies outside of Victoria Police are not covered under the above policy. Participants need to check with their own agency regarding any personal insurance cover whilst participating in the Games.

Injuries that occur as a result of participating in the 2022 Games must be reported to the Sports Co-ordinator as soon as possible and recorded using a specific 'Injury/Incidence Report' form.

All competitors should be in a healthy physical condition and ready for competition to maximise enjoyment and to minimise personal injury. If unsure, or competing in strenuous competition, please consult your physician before commencing competition.

Appeals and Protests by competitors shall be made in the first instance to the Sports Coordinator of their event. The Sports Coordinator has total control over the running of their event on the day. Should a mutual resolution not be made, the competitor can lodge a further appeal in writing to the Victoria Police Games Federation Executive Officer within 24 hours of their event. The VPGF will then investigate and notify the competitor and Sports Co-ordinator of the result.

If the presentation of medals is affected by the possible results of a protest/dispute, the awards shall be withheld pending the Protest/Dispute decision.

On-Duty Status: All participants should check with their agency representative about their on-duty status when participating in these Games. All agencies will have different policies and it is at the discretion of each agency as to whether this applies.

Changes to Events Policy: The Victoria Police Games Federation reserves the right to alter or make changes to the times, dates, locations, and event programming wherever and whenever necessary. Notification of any changes will be supplied to an effected competitor and placed on the website.

Alcohol and Drugs: The use of banned performance enhancing substances and methods by competitors (as listed by the Australian Sports Drugs Agency) is prohibited for the Victoria Police and Emergency Services Games. Furthermore, Sports Co-ordinators may prohibit any person from competing in any event or competition if in their opinion that person is displaying the effects of alcohol.

Blood and Infectious Disease Policy: All cuts and abrasions must be reported to the Sport Co-ordinator immediately and first aid treatment applied. A competitor who is bleeding or has blood on their clothing must immediately leave the playing area and seek medical assistance. The bleeding must be stopped, the wound dressed and blood on the player's body or clothing cleaned off before

they return to the game. Play must cease until all visible blood is cleaned up. Sport Co-ordinators have discretion as to whether any contaminated clothing or equipment will need to be replaced prior to the competitor being allowed to continue in the competition. A competitor may only return to competition once the Sports Coordinator is confident all the steps listed above have been taken. Any person with an infectious disease must advise the Sport Co-ordinator prior to the start of any competition. The Sport Co-ordinator shall advise the competitor whether they are able to take their place in the competition.

Officials, Co-ordinators & Volunteers will be identified by distinctive clothing/badges, and they should always be treated with the utmost courtesy. Participants are asked to follow directions when asked at all times.

Spectators will not be permitted onto the Field of play at any venue unless approved by the Sports Coordinator. Spectators are encouraged to support all competitors on event days. Assistance is requested from all parents to supervise their children in the vicinity of all sporting areas.

Photographer: An official Games photographer will attend various sporting events. Photographs & videos will be available for viewing on the Games website in the Image Gallery. There may also be other photographers at events which have been organised by the Sports Coordinator and approved by the Games Office. By consenting to participate in the 2022 VPES Games, you are granting permission to use your any image involving yourself for promotional material.

Security: All Sports Co-ordinators are responsible for securing their venues and equipment against damage. Competitors are responsible for their own property. Each sport also has its own 'Security Strategy' devised by the Sports Coordinator and submitted to the Games Office prior to their event/s commencing. The VPGF also asks every participant to be aware about the need for increased vigilance when conduct sporting events in today's environment. Competitors are asked to have their agency identification with them at the events they are competing at. Should the relevant identification not be shown when asked by the Sports Coordinator, then the individual may be asked to leave the premises and not take part in the Games.

Risk Management: The Games Federation has a

commitment to use risk management practices to support and enhance all the sporting events in the Games. A 'Facility Safety & Game Day Readiness Checklist' is completed by each Sports Co-ordinator to ensure that sports event venues are 'fit for purpose', and action plans are designed to reduce the likelihood and consequence of injury. Further to this Sports Co-ordinators now include a 'Security Strategy' as part of their action plans as mentioned above.

Results of all events and sports will be posted on the Games website under the "Results" section as soon as they have been received by the Games Office from the Sports Coordinators. Coordinators are asked to finalise their results and send them through as soon as possible.

Medal Presentations will be made at the conclusion of the final of each event or at the discretion of the Sports Coordinator. Placegetters who do not attend medal presentation ceremonies MUST arrange delivery of their medals through the Sport Co-ordinator. The presentation for the Chief Commissioner's Trophy and the Inter-Services Trophy will be made at the discretion of the VPGF Executive. The winners will be acknowledged at the launch of the Games for the following year.

Victoria Police Games Federation Chief Commissioner's Trophy & the Inter-Services Trophy

As there can be a large difference in the number of personnel attached to each Agency and Police Department, the weighting factor ensures that all Agencies/Departments compete on an equal basis. This weighting factor better reflects the participation rates of staff within the Agencies/Departments, making the process fairer overall. This process incorporates a participation percentage, bonus points for competitors who enter more than one event, and medal points for placings. The trophies will be awarded to the Agency/Department gaining the highest number of points (combination of total participation and medal points). Every member of a competing agency taking part in the Games will earn participation points for his or her agency/department and medal points for placings. Victoria Police entrants to the Games MUST nominate the region, department or command to which their points are to be awarded upon registration.

Retired Police Veterans are not eligible to compete for The Chief Commissioner's Trophy whilst Retired

emergency services personnel and volunteers are eligible to compete for the Inter-Services trophy if they meet the respective criteria.

Scratching's will automatically penalize the Agency the equivalent participation points. Withdrawals due to illness or injury will not attract a penalty.

Calculating Bonus Points and Total Participation Percentage. The bonus points for each agency are based on the average number of entries per competitor per agency.

For example: **Agency/Department A** has 100 staff members, 50 competitors and 75 entries. The percentage of employees competing is 50%, and the average number of entries per competitor 1.50. The average number of entries per competitor is applied

as a weighting to the participation percentage to give a total participation percentage of 75%. The total participation percentage is then ranked from highest to lowest, and agencies assigned a rank score.

Bonus Points. Medal points will be awarded to place getters as follows: 1st (5 points), 2nd (3 points) and 3rd (1 point). Each agency's total number of medal points is added up and ranked from highest to lowest and agencies assigned a rank score. More information on the allocation of points can be found in clause 11 of the Conditions of Entry.

Overall ranking. The rank scores from the total participation percentage and the medal points are then added together, and the Agency/Department with the highest score wins.

- 1.2 Other emergency service agencies can apply for eligibility and if successful are able to compete upon invitation to attend these Games.
- 1.3 The Victoria Police Games Federation reserves the right to refuse entries from any individual or agency.

2. Participant Eligibility

- 2.1 Participants over the age of 18 from eligible agencies may only compete if they satisfy one or more of the criteria below:
- a) They are a current or retired sworn or unsworn member of Victoria Police (including PSO's & PCO's)
- b) Have a Law Enforcement or Emergency Response role as specified in their key accountabilities section of their job description
- c) Are an active and registered volunteer for at least 12 months prior to the Games and have completed the appropriate training for their organisation
- d) Retired member of an agency (except Victoria Police, see 2.1a) must have had 10 or more years' service to that agency prior to resignation. These members will be

referred to their Agency Representatives.

- 2.2 Where a member of the Victoria Police resigns and wishes to take part in further Victoria Police and Emergency Services Games, consideration will be given to a member's history of involvement in previous Victoria Police and Emergency Services Games, and the years of service. Applications must be made in writing to the VPGF Office prior to registration.

- 2.3 The Committee of the Victoria Police Games Federation Inc. may by resolution, caution counsel or reprimand a member of the Federation or may expel or suspend a member from involvement in the affairs of the Federation, which shall include competing at the Games. This includes members that:

- (a) have refused or neglected to comply with the Rules of the Federation; or
- b) have been found guilty of discreditable conduct or conduct prejudicial to the interests of the Federation, in accordance with Clauses 21 of the Rules of Management of the Federation.
- c) Any competitor who is currently under suspension from their agency is not permitted to enter. In addition, where a competitor is suspended after having registered for the Games, the onus is on the competitor to declare that suspension to the Victoria Police Games Federation and withdraw from the Games.

- 2.4 The VPGF reserves the right to refuse entries from any person
- 2.5 Other non-affiliated Emergency Service personnel who comply with clause 2.1 can make an application to the VPGF for consideration of their eligibility.
- 2.6 As per Victorian Government Health directions, all participants **must be vaccinated from Coronavirus prior to the commencement of the Games (except if a medical exemption applies)**. Proof of vaccination status may be required prior to commencing any entered event or entering any facility. This clause also includes coordinators, volunteers and support staff.

- 3.1 Victorian Police Protective Services Officers (PSO) will compete for Transit & Public Safety Command as their department. Police Custody Officers (PCO) will compete for the Regions in which they are managed from.

- 3.2 Victoria Police individuals MUST register for the region, command or department they are assigned to at the time of registration. Members attached to PCETS MUST compete for the region where they are located at the time of entry.

- 4.1 Entries officially close on Thursday 17th March 2022. Some sports may accept late entries however this will be at the discretion of the respective Sports Co-ordinator. All entries are via the online registration system and payment must be made to complete the registration process. Credit Card (Mastercard or Visa) or PayPal account are the only forms of payment. For information on refunds, please check the Refund section contained within the General Information document.

- 4.2 Entry fees may vary from sport to sport and are put towards the running costs of the event, such as medals, venue hire and payment of officials etc. Fees for some sports will be the basic entry fee plus "pay as you play" costs. Entry fees are listed with the events, along with those listed as "pay as you play".

- 4.3 Sports co-ordinators will not accept a team entry unless full administration / registration details of all members of the team has been received, and full payment has been made.

- 4.4 The Games will be conducted at various venues throughout Victoria between 18th March and 27th March 2022 inclusive. A Schedule of Events is listed on the Games website (www.emergencyservicesgames.org.au) and in the Games Information booklet.

- 5.1 All employees of Victoria Police are required to participate in their own time and at their own expense. Victoria Police employees will be afforded Personal Accident & Public Liability protection (please refer to the General Information page).

- 5.2 All other participants from affiliated agencies are not covered under the Victoria

Police policy therefore need to refer to their own agency internal leave policy and insurance cover. It is recommended that you discuss any issues with your agency representative or private insurance contact. More information is provided on the General Information page.

- 5.3 Any person employed by Victoria Police who competes in The Games whilst on sick leave WILL NOT be eligible for the Personal Accident and Public Liability protection and competes at their own risk. Employees on sick leave who wish to compete will need to provide medical clearance first.

6. Age/Sex/Unisex Divisions apply to some individual events. The placegetters in each age/sex/unisex division will be awarded medals. The divisions are:

OPEN

- 18 – 18 to 29 years inclusive
30 – 30 to 34 years inclusive
3+: 30 years and over
35 – 35 to 39 years inclusive
40 – 40 to 44 years inclusive
4+: 40 years and over
45 – 45 to 49 years inclusive
50 – 50 to 54 years inclusive
5+: 50 years and over
55 – 55 to 59 years inclusive
60 – 60 to 64 years inclusive
6+: 60 years and over
65 – 65 to 69 years inclusive
70 – 70 to 74 years inclusive
7+: 70 years and over
75 – 75 to 79 years inclusive
80 – 80 to 84 years inclusive
8+: 80 years and over
85 – 85 to 89 years inclusive
90 – 90 to 94 years inclusive
95 – 95 to 99 years inclusive
100+: 100 years and over

The age groups above apply to male, female and unisex competitors in the relevant events and are identified by the letters M and F respectively throughout the program and are to be taken as at 18th March 2022.

7. All entrants are reminded that they are eligible to enter both their own age group and the open age group but must pay the entry fees for BOTH age groups. They may be required to compete in BOTH age groups, except in the case of Cross Country and Cycling events where entries will only be accepted in age groups, and the Open age group (if available) will be decided by times. Swimming events, both Open Water and Pool, entries will only be accepted in age groups.
8. Females will compete against females unless they specify that they wish to enter a mixed OPEN or unisex event. Some events may combine various age/sex divisions e.g. 5000 metres.
9. Where insufficient entries are received in age group events, the entrant will be offered the opportunity to participate in a lower age group.
- 10.1 Participants representing Victoria Police in non-individual events are encouraged to be registered with members from the same department so that they can achieve bonus points as per clause 11 below.
- 10.2 Participants from all other agencies competing in non-individual events can compete without representing a particular region or department due to the smaller number of participants representing them in comparison to the numbers representing Victoria Police. Competitors may only compete in one team per sport on the day of their event. Team members SHOULD play in the preliminaries to be eligible for the finals. The end decision rests with the Sports Co-ordinator.
- 10.3 Where a person wishes to compete in a non-individual event and is unable to locate sufficient numbers to make up a region or department team, or doubles event, their entry will be set aside until after the closing date for entries. A draw will then be conducted from those individual entries with the view to making a composite team and that entrant will be able to compete in the Games.
11. **Bonus Points**
 - 11.1 Bonus Points are awarded in all events with 5 points going to 1st place, 3 points to 2nd place, & 1 point to 3rd place. Bonus points help determine the winners of the Inter-Services & Chief Commissioner's Trophies.
 - 11.2 In all individual events, the participant earns the bonus points for their agency whilst Victoria Police participants also earn bonus points for their department.
 - 11.3 In all non-individual events/team events, Bonus Points will be allocated this way:
 - a) Only 1 set of bonus points will be allocated to an agency per non-individual/team event to the 1st, 2nd & 3rd placegetters (eg. winning team will get 5 points only to their agency and will not be individually allocated to the participants). These points will be included in the calculation for the Inter-Services Trophy. Where there is more than 1 participant from a different agency involved in the makeup of the entry, the bonus points will be awarded to the participant and their agency who setup the online entry (eg, team manager or captain).
 - b) Where a person wishes to compete in a non-individual/team event with members from another region or department within Victoria Police, they will each be granted Bonus Points towards their department should they place 1st, 2nd or 3rd, with these points contributing to the Chief Commissioner's Trophy. Clause 11.3a will apply when calculating points for the Inter-Services Trophy.
 12. By participating in the Victoria Police & Emergency Services Games, you give permission for the Victoria Police Games Federation to use any photo and/or video of you participating for promotional material. Please note that no photo will be used of any participant who is in the work attire nor will any names be published.

The Stuart Taylor Memorial Award

This award is presented each year for the "Best Performance of the Games". This trophy is awarded for excellence not only in the field of competition but also for enthusiasm and willingness to be involved in all aspects of the Victoria Police and Emergency Services Games. The Taylor family has recently handed over the responsibility of selecting the winner to the Executive of the Victoria Police Games Federation, who will take all matters into consideration when making their decision. The winner will be presented with the award at the annual launch of the Games.

The Bob Degg Volunteer of the Year Award

This award was established just prior to the 2007 Games to recognise the outstanding efforts and achievements of Sports Co-ordinators, Agency Representatives, Games Officials, Massage Therapists and other volunteers in helping to conduct the annual Victoria Police & Emergency Services Games. The volunteers are the lifeblood of the Games Federation, and without their contribution the Games would not be the success it is today.

This award is sponsored by major sponsor APS Benefits and presented to the winner at the annual launch of the Games.

This award provides a wonderful opportunity for the Victoria Police Games Federation to recognise volunteers who go 'above and beyond' to create a sense of unity and wellbeing; who embrace the spirit of friendly competition and provide support for all involved in the Games.

What is the ESF?

The Emergency Services Foundation (ESF) is a NFP peak body that is solely dedicated to Victoria's emergency worker mental health injury prevention.

Why is it important?

Compared to the general Australian population, the people who serve our community are at higher risk of mental health distress (Beyond Blue 2018; Australian Parliament 2019). Families too, and staff in support roles are at heightened risk as they are exposed vicariously through communication with emergency responders and affected communities.

Indications are that this situation is getting worse, driven by a constantly increasing workload from more frequent and more intense cycles of response and recovery to disasters.

What does ESF do?

ESF collaborates with 14 key sector organisations to pioneer leading practice to address the challenge of helping people to flourish so the State's emergency response capability is not at risk. Up to this point attention has been focused on the provision of services to treat mental illness and injury, with little focus on early intervention and prevention. ESF is addressing this gap through initiatives which integrate to provide a comprehensive prevention led 'psychological immunisation'.

NOTE: A MAXIMUM OF 24 TEAMS ONLY will be accepted for either event.

Description

Petanque is also known as boule or bocce, and is the fore runner of lawn bowls. The game is played on a hard packed clay or gravel surface where metal balls (*boules*) are thrown into the air or along the ground with the aim of landing closest to the jack (*cochonnet*).

Venue, Date and Time.

St Kilda Bowls club

Day 1 **Tuesday 22nd March** at 0900hrs.
Doubles.

Day 2 **Wednesday 23rd March** at 0900hrs.
Triples.

Please notify the coordinators at the ground of your arrival to enable the day's draw to be finalised. Any complete teams not at the venue at the start of competition will incur a penalty. Competition will commence as close as possible to 9.30 am.

Medals will be presented at the end of each day's competition.

Facilities.

St Kilda Bowls club is an outdoor venue with 12 pistis.

Alcohol.

Licensed bar at venue. **No BYO alcohol permitted under any circumstances.** Any person with BYO alcohol may be asked to immediately leave the club grounds by staff of the St Kilda Bowls club. That competitor will then forfeit any right to compete in any further events on that day.

Parking.

Limited parking is available around the St Kilda Bowls club.

Food.

BYO or there are many take away shops located nearby.

Team/Game Description.

Doubles - teams will consist of two players who will play with three balls each.

Triples - teams will consist of three players who will play with two balls each.

Teams can be all male, all female, or a mixture of both.

Doubles and Triples will be divided into an "A" Grade and "B" Grade. Medals will be presented for each grade.

Time limit during games. One minute between play.

Time limit of games. All qualifying games will have a forty five minute time limit. There will be no time limit for the medal games. Having time limits on qualifying games is the current practice recommended by the "Federation Internationale de Petanque" for all competitions.

Bye/Forfeits. Any bye/forfeit will be scored as a 13 to 7 point win.

Boules. Social boules (balls) are permitted. For any competitors who do not have their own boules a supply of extra boules will be available (at no charge) from the coordinators. Jacks (*cochinets*) can be purchased for \$4.00 at the ground.

Footwear. Footwear should cover/protect the toes – such as sneakers, shoes, boots or similar.

Other Information.

Each day, prior to the start of competition, the Sports Coordinator will give a full explanation of the "Club Rules and Game Rules" (including the "A" and "B" Grade draw and the rules regarding time limits).

If a competitor would like a copy of the document "Club Rules and Game Rules" prior to that date, please contact the Sports Coordinator at Ron. Penney@justice.vic.gov.au

A qualified umpire will be at the ground each day of competition.

Except for local ground rules (as per the "Club Rules and Game Rules") play will comply with the rules of the "Federation Internationale de Petanque et Jeu Provincial."

A COVID Safe Plan will be implemented for this event.

Event	Entry
Rock Climbing – Indoor (Male)	\$32.00
Rock Climbing – Indoor (Female)	\$32.00
Age Code	Description
00	Open

Description

This is a fun social competition with the aim of climbing cleanly as many climbs as possible in 60 minutes. The climbs will be completed on auto belays. Points for each climb will be awarded based on difficulty. A grade 10 is worth 10 points and a 21 worth 21 points, but the grades are not revealed until the end of the competition. Competitors attempt to climb as many climbs as possible within one hour. Points can only be awarded for each climb once but competitors can have as many attempts as they need to get to the top. After each attempt, the competitor must go to back of the queue before next attempt. At the end of the 60 minutes, competitors may finish the climb started so long as all limbs are off the ground. In the event of tie, a speed climb decider will be used.

Venue, Date and Time

Friday 18th March 2022 – 0930hrs to 1200hrs.
Lunch will be provided at the conclusion and is included in the entry fee.

This event will be conducted at Gravity Worx Indoor Climbing Gym, 182 – 184 Sussex Street Pascoe Vale Vic 3044.

Ph: 93501789

www.gravityworx.com.asu

Facilities

Toilets and shower are available on site.

Special Instructions

Harness and shoes can be hired for \$5 per person, or competitors can bring their own.

If hiring gear, socks must be worn to meet hygiene regulations. Comfortable clothes to exercise in such as gym wear works best. Long hair must be tied back and jewellery to be removed from necks hands and dangly earrings.

Some warm up time pre competition is recommended. A brief 15-minute safety instruction and competition rule debriefing will be conducted

Teams and judging

Will be done individually.

Other Information

Rock climbing is the latest sport to be included in the Olympics and is taking off in Victoria as Victoria is the only state to offer the speed route that will be competed at the Olympic Games. Climbing is a test of fitness combining power and endurance with problem solving skills to find the fastest most efficient path to the top of the wall, usually following a dedicated designed pathway. Individual climbs can be designed to cater for a wide range of abilities from 5 year olds and up to Olympic level.
