Patron's Welcome

2022 produced another successful Victoria Police & Emergency Services Games with 30 different agencies from across Victoria being represented. I congratulate all those who trained – or perhaps just turned up! – to test themselves, have fun with colleagues and enjoy a little healthy competition between work areas and organisations.

We are looking to maintain this momentum and reach a target of 3,000 participants for the 2023 Games. I challenge everyone to find an event that showcases their skills and fitness, and their enthusiasm. This Games we will introduce the event of sailing, which will be hosted by the McCrae Yacht Club and should bring a new group of competitors into the fold!

We also welcome Emergency Management Victoria and Safe Transport Victoria as affiliated agencies with the Victoria Police Games Federation, which demonstrates how this tournament continues to grow in significance and involvement. I'm not sure of the sporting calibre within these agencies, but I suspect they will be preparing to make a good showing at their inaugural appearance...

The Games will be held from 27 March to 3 April 2023 in venues across metropolitan Melbourne and regional Victoria. This is a great opportunity to take a break from the sustained demands that all emergency services personnel have been under in recent years – sport and recreation play such a vital role in maintaining our fitness, mental health and comradery.

I acknowledge and thank all members of the Games Committee for the effort they put in to organising this tournament, as they have for every Games over the last 41 years, and I congratulate them on continuing to develop this major event.

I look forward to seeing as many of you as possible at various events – good luck!

Shane Patton, APM

*Chief Commissioner
Victoria Police*

President's Welcome

As the President of the Victoria Police Games Federation (VPGF), a position I am proud to hold, I am honoured to launch the 2023 Victoria Police and Emergency Services Games.

We all know the benefits of an active lifestyle and the positive impact it can have on our physical and mental health and wellbeing. Finding time for family, friends, sport, or exercise is a challenge we all face, but it is particularly important for those working in the emergency management sector. The Victoria Police and Emergency Services Games are about more than competition – they are an opportunity for us to come together, prioritise our own physical and mental health, and invest in the friendships that characterise the spirit of the Games.

With the 2022 Games returning to a 10-day schedule and back to a more traditional setup, our agency members were spoiled for choice with over 43 sports to participate in. To kickstart the 2022 Games, I was fortunate to be joined by fellow agency leaders, VPGF Life Members, sports coordinators, and corporate partners, at URBN Surf in Tullamarine. We were treated to a surfing demonstration by several agency members – a fantastic preview ahead of the Games' first ever surfing event to be held in a wave pool.

In addition to surfing, it was fantastic to introduce Powerlifting as a new sport for 2022, which proved to be popular with both men and women. Mountain biking returned from a two-year hiatus and a full triathlon, in partnership with the Western Suburbs Triathlon Club, was held for the first time in nearly ten years. Overall participation numbers were up 7% on 2021, with 2,563 participants overall. 30 different agencies were represented across the 10-day program, with a total of 4,167 individual entries into the events.

Congratulations to Corrections Victoria on winning the 2022 Inter-Services Trophy for the third year in a row, and the Transit and Public Safety Command on taking out the 2022 Chief Commissioners Trophy for the fifth consecutive year. But more importantly, congratulations to everyone who took part. There was wonderful comradery between the agencies and participants which confirmed why these Games are so important to Emergency Services workers.

The VPGF Committee and its stakeholders are hard at work planning for the 2023 Games. With the easing of COVID restrictions and the return of community sport over the past 12 months, we look forward to once again providing an opportunity for agency members to participate in some healthy competition. I am excited to introduce Sailing to the schedule for next year and look forward to continuing our strong partnerships with venues, local clubs and associations, local councils, and state and national sporting associations.

I am extremely grateful for the sustained support of our corporate partners and thank them for their investment in the 2023 Games. ESSSuper, APS Benefits, Transurban and BankVic are continuing as valued partners. Web developers FUSESport will again provide their generous support for our online registration portal and Games website. Their contribution is vital and will ensure that up-to-date information is available for all events and activities throughout the ten days of competition.

To our participating agency CEOs, senior executives, and leaders, thank you for continuing to encourage your members to prioritise their health and wellbeing by taking part in the Games.

Lastly, the Games are significant due to the diverse range of competitors coming together from participating agencies to be part of the fun. I encourage everyone to start preparing for the 2023 Games now to ensure they are a resounding success. Join with a friend, form a team, make a commitment to compete yourself, or encourage others to participate or volunteer.

It might just be you standing proudly on the podium at the end of the 2023 Games!

Rick Nugent, APM

General Information

Registration and entry to the 2023 Victoria Police and Emergency Services Games is on-line ONLY. To register, please go to www.emergencyservicesgames.org.au. All registrations and payments for events are done through the online portal. All participants will be required to create their own new account or use their previous account. Registrations for all events will open in December 2022 and close 20th March 2023. The Games will run from 27th March to 3rd April 2023.

There is a standard registration fee of \$10 per participant and is required upon registration. Payment of this fee covers:

- Registration processing
- Website development
- Administrative and volunteer costs

Sports fees are also required and are applicable to each sport and competitors may enter as many sports as they wish, paying the appropriate sport fee for each sport.

Payment of this fee covers:

- Medals
- Venue costs
- Equipment and catering costs
- Umpires, officials and prizes

Payments are only accepted online via the registration portal. The portal uses the PayPal gateway so participants can either use their PayPal account to pay their fees or payment can be made via credit card. No payments of cash will be accepted at any events.

Event Entries on the day: Entry into events on the day of competition, at the event venue, will generally not be permitted. Competitors must have registered and paid online prior to the commencement of the event as specified above. Some exceptions do apply – please contact the relevant Sports Coordinator.

Enquiries regarding your individual sporting event are to be directed to the respective Sports Coordinator in the first instance. For any registration queries or general information about the Games, contact the Games Manager on 8533 1689 or via email to info@emergencyservicesgames.org.au.

COVID Regulations: In order to maintain a healthy Games environment, all participants, as well as officials, coordinators, volunteers, and support staff must continue to wear a face mask when required and must sanitise their hands regularly, maintain

social distance when required, and should not attend any event if they feel unwell. Whilst COVID Safe Plans are no longer required, we request any participant that tests positive to COVID in the leadup or on their event day, do not participate to protect the health and safety of other participants.

In the Conditions of Entry, you must have had an approved COVID vaccination to participate (medical exemptions apply). The VPGF is committed to providing a safe environment for all its participants, coordinators and volunteers and supports the governments advice on COVID vaccinations.

Refund Policy:

Refunds will be granted under the following circumstances:

- Should a registered participant seek a refund prior to the official close of registrations (20/3/23), they will be granted a refund of the **relevant sport/s fees only** unless otherwise at the discretion of the Games Manager.
- Participants must notify the relevant Sports Coordinator or the Games Manager by email or phone call at least **two days prior** to their event. In this case, a refund of the **relevant sport/s fees only** will be granted if they can't compete due to illness or injury; family tragedy; unexpected 'on duty' requirements or emergency situations; or any other circumstances to be considered by the Games Manager.
- Participants are only eligible for a **full refund (registration & sport fees)** if:
 - their event is cancelled or moved to another day and they can't compete.
 - If a competitor has entered an event after the maximum number of competitors has been reached, but before the advertised close of entries (if this event is the only event they have entered).
 - If they need to withdraw due to a COVID case.

Should a registered participant fail to compete and not notify their Sports Coordinator, or the Games Office of their absence as described above, they are not entitled to a refund of any kind.

Any refunds will be processed through the Fusesport online system and Paypal gateway with refunds returning to the original credit card that was used when registering.

Event Cancellation: Any sport or event may be cancelled by mutual agreement between the respective Sport Coordinator and the Games Federation. It is the responsibility of the Sports Coordinator to contact all competitors when an event is cancelled. Agency Representatives are also available to assist in this instance. In these circumstances a full refund of the registration and sports fee will be made available to the individuals concerned.

Maximum/Minimum Number of Participants:

Some sports may set a maximum number of participants due to competition and /or venue restrictions. If a competitor has entered an event after the maximum has been reached and was received late and after the advertised close of entries, the entrant shall only be eligible to receive a refund of the sport fee. Every sport has a minimum number required for the competition to proceed. If a minimum number is not reached, then the sport will be cancelled. In this case, the event cancellation policy will apply

Public Liability Protection: All sporting events in the Games are covered for Public Liability Insurance under the banner of Victoria Police.

Personal Injury Cover:

Victoria Police: The Victoria Police Games Federation **strongly encourages** all participants to have their own private health insurance including Ambulance cover. For Victoria Police employees only competing in the Victoria Police and Emergency Services Games, should an injury occur, they are entitled to submit an injury claim to their relevant WorkCover representative.

Whilst Victoria Police may have some influence over whether a claim is supported, ultimately the decision on claim acceptance is made by WorkSafe's delegated WorkCover Insurance Agent to determine if there is liability for a claim under the WIRC Act which is the relevant legislation.

Victoria Police members are encouraged to contact their WorkCover consultant or the Games Office for further information.

Other Participating Agencies: Participants from all other affiliated agencies outside of Victoria Police are not covered under the above policy. Participants need to check with their own agency regarding any personal insurance cover whilst participating in the Games.

Injuries that occur as a result of participating in the 2023 Games must be reported to the Sports Coordinator as soon as possible and recorded using a specific 'Injury/Incidence Report' form.

All competitors should be in a healthy physical condition and ready for competition to maximise enjoyment and to minimise personal injury. If unsure, or competing in strenuous competition, please consult your physician before commencing competition.

Appeals and Protests by competitors shall be made in the first instance to the Sports Coordinator of their event. The Sports Coordinator has total control over the running of their event on the day. Should a mutual resolution not be made, the competitor can lodge a further appeal in writing to the Victoria Police Games Federation Executive Officer within 24 hours of their event. The VPGF will then investigate and notify the competitor and Sports Coordinator of the result.

If the presentation of medals is affected by the possible results of a protest/dispute, the awards shall be withheld pending the Protest/Dispute decision.

On-Duty Status: All participants should check with their agency representative about their on-duty status when participating in these Games. All agencies will have different policies and it is at the discretion of each agency as to whether this applies.

Changes to Events Policy: The Victoria Police Games Federation reserves the right to alter or make changes to the times, dates, locations, and event programming wherever and whenever necessary. Notification of any changes will be supplied to an affected competitor and placed on the website.

Alcohol and Drugs: The use of banned performance enhancing substances and methods by competitors (as listed by the Australian Sports Drugs Agency) is prohibited for the Victoria Police and Emergency Services Games. Furthermore, Sports Coordinators may prohibit any person from competing in any event or competition if in their opinion that person is displaying the effects of alcohol.

Blood and Infectious Disease Policy: All cuts and abrasions must be reported to the Sport Coordinator immediately and first aid treatment applied. A competitor who is bleeding or has blood on their clothing must immediately leave the playing area and seek medical assistance. The bleeding must be stopped, the wound dressed and blood on the player's body or clothing cleaned off before

General Information

they return to the game. Play must cease until all visible blood is cleaned up. Sport Coordinators have discretion as to whether any contaminated clothing or equipment will need to be replaced prior to the competitor being allowed to continue in the competition. A competitor may only return to competition once the Sports Coordinator is confident all the steps listed above have been taken. Any person with an infectious disease must advise the Sport Coordinator prior to the start of any competition. The Sport Coordinator shall advise the competitor whether they are able to take their place in the competition.

Officials, Coordinators & Volunteers will be identified by distinctive clothing/badges, and they should always be treated with the utmost courtesy. Participants are asked to follow their directions at all times.

Spectators will not be permitted onto the Field of play at any venue unless approved by the Sports Coordinator. Spectators are encouraged to support all competitors on event days. Assistance is requested from all parents to supervise their children in the vicinity of all sporting areas.

Photographer: An official Games photographer will attend various sporting events. Photographs & videos will be available for private viewing upon completion of the Games. There may also be other photographers at events which have been organised by the Sports Coordinator and approved by the Games Office. By consenting to participate in the 2023 VPES Games, you are granting permission to use any image involving yourself for promotional material.

Security: All Sports Coordinators are responsible for securing their venues and equipment against damage. Competitors are responsible for their own property. Each sport also has its own 'Security Strategy' devised by the Sports Coordinator and submitted to the Games Office prior to their event/s commencing. The VPGF also asks every participant to be aware of the need for increased vigilance when conduct sporting events in today's environment. Competitors are asked to have their agency identification with them at the events they are competing at. Should the relevant identification not be shown when asked by the Sports Coordinator, then the individual may be asked to leave the premises and not take part in the Games.

Risk Management: The Games Federation has a commitment to use risk management practices to support and enhance all the sporting events in the Games. A 'Risk Management Action Plan' and 'Facility Safety & Game Day Readiness Checklist' is completed by each Sports Coordinator to ensure that sports event venues are 'fit for purpose', and action plans are designed to reduce the likelihood and consequence of injury. Further to this Sports Coordinators now include a 'Security Strategy' as part of their action plans as mentioned above.

Results of all events and sports will be posted on the Games website under the "Results" section as soon as they have been received by the Games Office from the Sports Coordinators. Coordinators are asked to finalise their results and send them through as soon as possible.

Medal Presentations will be made at the conclusion of the final of each event or at the discretion of the Sports Coordinator. Placegetters who do not attend medal presentation ceremonies **MUST** arrange delivery of their medals through the Sport Coordinator. The presentation for the Chief Commissioner's Trophy and the Inter-Services Trophy will be made at the discretion of the VPGF Executive. The winners will be acknowledged at the launch of the Games for the following year.

Victoria Police Games Federation Chief Commissioner's Trophy & the Inter-Services Trophy

As there can be a large difference in the number of personnel attached to each Agency and Police Department, the weighting factor ensures that all Agencies/Departments compete on an equal basis. This weighting factor better reflects the participation rates of staff within the Agencies/Departments, making the process fairer overall. This process incorporates a participation percentage, bonus points for competitors who enter more than one event, and medal points for placings. The trophies will be awarded to the Agency/Department gaining the highest number of points (combination of total participation and medal points). Every member of a competing agency taking part in the Games will earn participation points for his or her agency/department and medal points for placings. Victoria Police entrants to the Games **MUST** nominate the region, department or command to which their points are to be awarded upon registration.

retired Police Veterans are not eligible to compete for The Chief Commissioner's Trophy whilst retired emergency services personnel and volunteers are eligible to compete for the Inter-Services trophy if they meet the respective criteria.

Scratching's will automatically penalize the Agency the equivalent participation points. Withdrawals due to illness or injury will not attract a penalty.

Calculating Bonus Points and Total Participation Percentage. The bonus points for each agency are based on the average number of entries per competitor per agency

For example: **Agency/Department** A has 100 staff members, 50 competitors and 75 entries. The percentage of employees competing is 50%, and the average number of entries per competitor 1.50. The average number of entries per competitor is applied as a weighting to the participation percentage to give

a total participation percentage of 75%. The total participation percentage is then ranked from highest to lowest, and agencies assigned a rank score.

Bonus Points. Medal points will be awarded to place getters as follows: 1st (5 points), 2nd (3 points) and 3rd (1 point). Each agency's total number of medal points is added up and ranked from highest to lowest and agencies assigned a rank score. More information on the allocation of points can be found in clause 11 of the Conditions of Entry.

Overall ranking. The rank scores from the total participation percentage and the medal points are then added together, and the Agency/Department with the highest score wins.

CONDITIONS OF ENTRY

1. Agency Eligibility

- 1.1 Eligible Agencies that are able to compete in these Games and who are affiliated with the Victoria Police Games Federation are: Victoria Police including Protective Services Officers and Police Custody Officers; Ambulance Victoria; Australian Criminal Intelligence Commission; Australian Border Force; Australian Department of Agriculture, Fisheries and Forestry; Australian Federal Police (including Australian Protective Service Officers); Australian Volunteer Coast Guard; Corrections Victoria; Country Fire Authority; Dept of Jobs, Precincts & Regions; Dept of Environment, Land, Water and Planning; Dept. of Immigration; Dept of Justice (Sheriff's Office); Dept of Transport; Emergency Management Victoria; Emergency Services Telecommunications Authority; Fire Rescue Victoria; Life Saving Victoria; National Heavy Vehicle Regulator; Parks Victoria; Royal Flying Doctor Service; Safe Transport Victoria; St John Ambulance Victoria; Victoria State Emergency Service; and Victorian Fisheries Authority.
- 1.2 Other emergency service agencies can apply for eligibility and if successful are able to compete upon invitation to attend these Games.
- 1.3 The Victoria Police Games Federation reserves the right to refuse entries from any individual or agency.

2. Participant Eligibility

- 2.1 Participants over the age of 18 from eligible agencies may only compete if they satisfy one or more of the criteria below:
 - a) They are a current or retired sworn or unsworn member of Victoria Police (including PSO's & PCO's)
 - b) Have a Law Enforcement or Emergency Response role as specified in their key accountabilities section of their job description
 - c) Are an active and registered volunteer for at least 12 months prior to the Games and have completed the appropriate training for their organisation
 - d) retired member of an agency (except Victoria Police, see 2.1a) must have had 10 or more years' service to that agency prior to resignation. These members will be referred to their Agency Representatives.
- 2.2 Where a member of the Victoria Police resigns and wishes to take part in further Victoria Police and Emergency Services Games, consideration will be given to a member's history of involvement in previous Victoria Police and Emergency Services Games, and the years of service. Applications must be made in writing to the VPGF Office prior to registration.
- 2.3 The Committee of the Victoria Police Games Federation Inc. may by resolution, caution counsel or reprimand a member of the Federation or may expel or suspend a member from involvement in the affairs of the Federation, which shall include competing at the Games. This includes members that:
 - (a) have refused or neglected to comply with the Rules of the Federation; or
 - b) have been found guilty of discreditable conduct or conduct prejudicial to the interests of the Federation, in accordance with Clauses 21 of the Rules of Management of the Federation.
 - c) Any competitor who is currently under suspension from their agency is not permitted to enter. In addition, where a competitor is suspended after having registered for the Games, the onus is on the competitor to declare that suspension to the Victoria Police Games Federation and withdraw from the Games.
- 2.4 The VPGF reserves the right to refuse entries from any person
- 2.5 Other non-affiliated Emergency Service personnel who comply with clause 2.1 can make an application to the Games Manager for consideration of their eligibility.
- 2.6 As per Victorian Government Health directions, all participants must be vaccinated from Coronavirus prior to the commencement of the Games (except if a medical exemption applies). Proof of vaccination status may be required prior to commencing any entered event or entering any facility. This clause also includes coordinators, volunteers and support staff.

- 3.1 Victorian Police Protective Services Officers (**PSO**) will compete for **Transit & Public Safety Command** as their department. Police Custody Officers (**PCO**) will compete for the Regions in which they are managed from.
- 3.2 Victoria Police individuals **MUST** register for the region, command or department they are assigned to at the time of registration. Members attached to PCETS **MUST** compete for the region where they are located at the time of entry.
- 4.1 Entries officially close on Sunday 20th March 2023. Some sports may accept late entries however this will be at the discretion of the respective Sports Coordinator. All entries are via the online registration system and payment must be made to complete the registration process. Credit Card (Mastercard or Visa) or PayPal account are the only forms of payment. For information on refunds, please check the Refund section contained within the General Information document.
- 4.2 Entry fees may vary from sport to sport and are put towards the running costs of the event, such as medals, venue hire and payment of officials etc. Fees for some sports will be the basic entry fee plus "pay as you play" costs. Entry fees are listed with the events, along with those listed as "pay as you play".
- 4.3 Sports co-ordinators will not accept a team entry unless full administration / registration details of all members of the team have been received, and full payment has been made.
- 4.4 The Games will be conducted at various venues throughout Victoria between 27th March and 3rd April 2023 inclusive. A Schedule of Events is listed on the Games website (www.emergencyservicesgames.org.au) and in the Games Information booklet.
- 5.1 All employees of Victoria Police are required to participate in their own time and at their own expense. Victoria Police employees should check the information regarding Personal Accident Insurance which is contained in the General Information for Participants document.
- 5.2 All other participants from affiliated agencies are not covered under the Victoria Police policy therefore need to refer to their own agency internal leave policy and insurance cover. It is recommended that you discuss any issues with your agency representative or private insurance contact. More information is provided on the General Information for Participants page.
- 5.3 Any person employed by Victoria Police who competes in The Games whilst on sick leave **WILL NOT** be eligible for the Personal Accident and Public Liability protection and competes at their own risk. Employees on sick leave who wish to compete will need to provide medical clearance first.
6. Age/Sex/Unisex Divisions apply to some individual events. The placegetters in each age/sex/unisex division will be awarded medals. The divisions are:
- OPEN
- 18 – 18 to 29 years inclusive
- 30 – 30 to 34 years inclusive
- 3+: 30 years and over
- 35 – 35 to 39 years inclusive
- 40 – 40 to 44 years inclusive
- 4+: 40 years and over
- 45 – 45 to 49 years inclusive
- 50 – 50 to 54 years inclusive
- 5+: 50 years and over
- 55 – 55 to 59 years inclusive
- 60 – 60 to 64 years inclusive

- 8+: 80 years and over
- 85 – 85 to 89 years inclusive
- 90 – 90 to 94 years inclusive
- 95 – 95 to 99 years inclusive
- 100+: 100 years and over

CONDITIONS OF ENTRY

The age groups above apply to male, female and unisex competitors in the relevant events and are identified by the letters M and F respectively throughout the program and are to be taken as at 20th March 2022.

7. All entrants are reminded that they are eligible to enter both their own age group and the open age group but must pay the entry fees for BOTH age groups. They may be required to compete in BOTH age groups, except in the case of Cross Country and Cycling events where entries will only be accepted in age groups, and the Open age group (if available) will be decided by times. Swimming events, both Open Water and Pool, entries will only be accepted in age groups.
8. Females will compete against females unless they specify that they wish to enter a mixed OPEN or unisex event. Some events may combine various age/sex divisions e.g. 5000 metres.
9. Where insufficient entries are received in age group events, the entrant will be offered the opportunity to participate in a lower age group.
- 10.1 Participants representing Victoria Police in non-individual events are encouraged to be registered with members from the same department so that they can achieve bonus points as per clause 11 below.
- 10.2 Participants from all other agencies competing in non-individual events can compete without representing a particular region or department due to the smaller number of participants representing them in comparison to the numbers representing Victoria Police. Competitors may only compete in one team per sport on the day of their event. Team members SHOULD play in the preliminaries to be eligible for the finals. The end decision rests with the Sports Coordinator.
- 10.3 Where a person wishes to compete in a non-individual event and is unable to locate sufficient numbers to make up a region or department team, or doubles event, their entry will be set aside until after the closing date for entries. A draw will then be conducted from those individual entries with

the view to making a composite team and that entrant will be able to compete in the Games.

11. Bonus Points

- 11.1 Bonus Points are awarded in all events with 5 points going to 1st place, 3 points to 2nd place, & 1 point to 3rd place. Bonus points help determine the winners of the Inter-Services & Chief Commissioner's Trophies.
- 11.2 In all individual events, the participant earns the bonus points for their agency whilst Victoria Police participants also earn bonus points for their department.
- 11.3 In all non-individual events/team events, Bonus Points will be allocated this way:
 - a) Only 1 set of bonus points will be allocated to an agency per non-individual/team event to the 1st, 2nd & 3rd placegetters (eg. winning team will get 5 points only to their agency and will not be individually allocated to the participants). These points will be included in the calculation for the Inter-Services Trophy. Where there is more than 1 participant from a different agency involved in the makeup of the entry, the bonus points will be awarded to the participant and their agency who setup the online entry (eg, team manager or captain).
 - b) Where a person wishes to compete in a non-individual/team event with members from another region or department within Victoria Police, they will each be granted Bonus Points towards their department should they place 1st, 2nd or 3rd, with these points contributing to the Chief Commissioner's Trophy. Clause 11.3a will apply when calculating points for the Inter-Services Trophy.
12. By participating in the Victoria Police & Emergency Services Games, you give permission for the Victoria Police Games Federation to use any photo and/or video of you participating for promotional material. Please note that no photo will be used of any participant who is in their work attire nor will any names associated with any photo/video be published.

VPGF AWARDS

The Stuart Taylor Memorial Award

This award is presented each year for the “Best Performance of the Games”. This trophy is awarded for excellence not only in the field of competition but also for enthusiasm and willingness to be involved in all aspects of the Victoria Police and Emergency Services Games. The Taylor family has recently handed over the responsibility of selecting the winner to the Executive of the Victoria Police Games Federation, who will take all matters into consideration when making their decision. The winner will be presented with the award at the annual launch of the Games.

Previous winners of the **Stuart Taylor Memorial Award** are as follows:

The Bob Degg Volunteer of the Year Award

This award was established just prior to the 2007 Games to recognise the outstanding efforts and achievements of Sports Coordinators, Agency Representatives, Games Officials, Massage Therapists and other volunteers in helping to conduct the annual Victoria Police & Emergency Services Games. The volunteers are the lifeblood of the Games Federation, and without their contribution the Games would not be the success it is today.

This award is sponsored by major sponsor APS Benefits and presented to the winner at the annual launch of the Games.

This award provides a wonderful opportunity for the Victoria Police Games Federation to recognise volunteers who go ‘above and beyond’ to create a sense of unity and wellbeing; who embrace the spirit of friendly competition and provide support for all involved in the Games.

What is the ESF?

The Emergency Services Foundation (ESF) is a NFP peak body that is solely dedicated to Victoria's emergency worker mental health injury prevention.

Why is it important?

Compared to the general Australian population, the people who serve our community are at higher risk of mental health distress (Beyond Blue 2018; Australian Parliament 2019). Families too, and staff in support roles are at heightened risk as they are exposed vicariously through communication with emergency responders and affected communities.

Indications are that this situation is getting worse, driven by a constantly increasing workload from more frequent and more intense cycles of response and recovery to disasters.

What does ESF do?

ESF collaborates with 14 key sector organisations to pioneer leading practice to address the challenge of helping people to flourish so the State's emergency response capability is not at risk. Up to this point attention has been focused on the provision of services to treat mental illness and injury, with little focus on early intervention and prevention. ESF is addressing this gap through initiatives which integrate to provide a comprehensive prevention led 'psychological immunisation'.

A dynamic collage of athletes in various sports poses. At the top left, a basketball player is shown in a crouched position, ready to shoot. To the right, a soccer player is captured mid-air, performing a header. Below these, a row of athletes is depicted in various active states: a tennis player swinging a racket, a female athlete in a running pose, a triathlete with arms raised, a male athlete in a dynamic pose, a female athlete jumping, a male athlete in a dynamic pose, a female athlete jumping to catch a volleyball, and a snowboarder in the background. The entire scene is set against a dark, starry background with a nebula-like glow on the left side.

Description

Open

N.B. AFL 9's a 'Mixed' sporting event competition ONLY

Description

AFL 9s is easy to play, not too physically demanding and provides an environment whereby participation, enjoyment and safety are a priority. A fast, fun, free-flowing game that involves 9 players on each team playing on a smaller field. Best of all AFL 9s is 'touch football' with no tackling or bumping, making it suitable for everyone.

The game is played on a field that is divided into three zones. Teams score by kicking the ball into their scoring zone to forwards who are the only players permitted to score. Teams consist of three backs, three middles and three forwards. Once the game is in progress players can move freely across all three zones. The game consists of 2x20 minute halves and has unlimited interchange.

The mixed competition has to have at least one female in each zone (i.e. forward, centre and back) at all times.

The game is played on a reduced size field – a standard sized AFL field can comfortably fit two fields side by side.

Female goals are worth 9 points in the mixed competition – it is a no contact game. A complete set of the rules in detail are available via the following link: <https://www.play.afl/play/aflx/aflx-rules/>

Venue, Date & Time

Victoria Park, Abbotsford. The competition will be run on **Monday 3rd April 2023** commencing at 0930 hours and concluding approximately 1530 hours.

Please note that venue and date are subject to change and any updates can be found at www.emergencyservicesgames.org.au. All registered competitors will be contacted by the Sports Coordinator to advise of any changes.

Facilities

Players will have access to toilets, showers, and changerooms. Shade and shelter are available in the grandstands. Please be mindful of parking restrictions around the venue.

Special Instructions

All equipment will be provided for competition. Teams need to check-in at the venue by 0900 hours for the 0930 hours start.

Teams

Reserves are recommended due to the fast pace of the game. Maximum of 15 reserves per team.

Other Information

Umpires will be provided for each game. AFL Victoria staff will manage the event on the day. Participants are asked to follow all instructions regarding the game from AFL Victoria staff.

Single event of the official half marathon distance of 21.1km. Runners will head anti-clockwise around the Tan from Kings Domain, then onto the Yarra Capital Trail from the Swan St bridge until the turnaround point before returning to the start/finish line. Traffic management will be setup on Alexandra Ave where runners will cross the road at the pedestrian crossing to enter the Main Yarra Trail. Please note the trail will be open to the public during the running of the event.

COVID-19 requirements to be complied with as required at the time of the event, with participants advised prior to the event of restrictions and requirements applying to the event at that time.

Venue, Date and Time

Yarra Capital Trail - Start and finish at Kings Domain near the Sydney Myer Music Bowl (See map below for running route) **Monday 27th March 2023**. Event to start at 1700 hours.

Competitors are requested to be at the start line by 16:30 hrs for a briefing and pre-race preparations/registrations.

After completing an anti-clockwise lap of The Tan, competitors then return to start/finish line and turnaround and run clockwise on tan back to the

first pedestrian crossing after the Olympic boulevard bridge/ traffic lights and cross Alexandra Avenue pedestrian crossing closest to Olympic Blvd Bridge. Runners then follow the same course as last year but turn around point near Melbourne Girls Grammar Boat shed is about 100m earlier than last year.

On return to finish line the final leg sees runners turn left after crossing Olympic Blvd bridge and run back to the first crossing south of the bridge to cross back over to the tan where runners u-turn and run anti-clockwise along tan back to the start finish line.

Further maps of the course are available on the Half Marathon page on the Games website.

Facilities

Public toilet facilities available along the course.

Special Instructions

There will be drink stations available at the start/finish line, the turn-around point, and at other spots along the course. There are also public drinks fountains along the route. With COVID-19 requirements applying, runners are required to bring their own drink bottles and have them at the start/finish line where they can be accessed during the run. Sharing of drink bottles is not permitted.

Description

This year's event is a Cross Country Marathon (XCM) race lasting 3 hours on some sweet single track in the vicinity of Lake Eildon. E-bikes are welcome, and racing will take place in either age group categories, open male and female (E-bike only) or as teams. The trails will be rideable wet or dry and are suitable for everyone from beginners to experienced riders.

Thinking that 3-hours in the saddle is a bit much?

We are also offering a Short Course Come and Try event for 1.5hrs – similar to a traditional Cross Country Olympic race. This is aimed at any eligible emergency services workers simply wishing to participate, try their hand at racing or just have a ride with friends in a safe and controlled environment.

Teams may consist of two or three riders (a mix of E-MTB and normal MTB is not permitted) and there are no age divisions for the team.

Race Licences:

All riders must have a current AusCycling Race Membership or purchase a Race Day Licence. Race day licences or the 4-week free trial can be purchased online using the link below – Please note that race day licences are only valid on the day of purchase!

www.auscycling.org.au/membership/other/event-licences

www.auscycling.org.au/membership/other/free-trial

All Memberships and race licences must be valid on the date of the event for which you are registering. If your membership expires before the date of the event, you must renew your membership before entering this event. You will be required to show your membership on the day.

Venue, date and Time

Eildon Mountain Bike Park

Eildon, Vic

Saturday April 1st, 2023

Race start at 11:00 am

The track will be released in due course and will be suitable for all riders. Further information on the trails can be found at: Eildon MTB Park - Trailforks

Facilities

Toilets and parking are available.

Special Instructions

Detailed 'rider information' will be sent to all entrants within 2-4 weeks of the event. Further information can be obtained by simply ringing the sports coordinator.

NOTE: A MAXIMUM OF 24 TEAMS ONLY will be accepted for either event.

Description

Petanque is also known as boule or bocce, and is the fore runner of lawn bowls. The game is played on a hard packed clay or gravel surface where metal balls (boules) are thrown into the air or along the ground with the aim of landing closest to the jack (*cochonnet*).

Venue, Date and Time.

St Kilda Bowls club

Day 1 **Tuesday 28th March** at 0900hrs.
Doubles.

Day 2 **Wednesday 29th March** at 0900hrs.
Triples.

Please notify the coordinators at the ground of your arrival to enable the day's draw to be finalised. Any complete teams not at the venue at the start of competition will incur a penalty. Competition will commence as close as possible to 9.30 am. Medals will be presented at the end of each day's competition.

Facilities.

St Kilda Bowls club is an outdoor venue with 12 pists.

Alcohol.

Licensed bar at venue. **No BYO alcohol permitted under any circumstances.** Any person with BYO alcohol may be asked to immediately leave the club grounds by staff of the St Kilda Bowls club. That competitor will then forfeit any right to compete in any further events on that day.

Parking.

Limited parking is available around the St Kilda Bowls club.

Food.

BYO or there are many take away shops located nearby.

Team/Game Description.

Doubles – teams will consist of two players who will play with three balls each.

Triples – teams will consist of three players who will play with two balls each.

Teams can be all male, all female, or a mixture of both.

Doubles and Triples will be divided into an "A" Grade and "B" Grade. Medals will be presented for each grade.

Time limit during games. Ten minute between play.

Time limit of games. All qualifying games will have a forty-five-minute time limit. There will be no time limit for the medal games. Having time limits on qualifying games is the current practice recommended by the "Federation Internationale de Petanque" for all competitions.

Bye/Forfeits. Any bye/forfeit will be scored as a 13 to 7-point win.

Boules. Social boules (balls) are permitted. For any competitors who do not have their own boules a supply of extra boules will be available (at no charge) from the coordinators. Jacks (*cochinets*) can be purchased for \$4.00 at the ground.

Footwear. Footwear should cover/protect the toes – such as sneakers, shoes, boots or similar.

Other Information.

Each day, prior to the start of competition, the Sports Coordinator will give a full explanation of the "Club Rules and Game Rules" (including the "A" and "B" Grade draw and the rules regarding time limits).

If a competitor would like a copy of the document "Club Rules and Game Rules" prior to that date, please contact the Sports Coordinator at Ron.Penney@justice.vic.gov.au

A qualified umpire will be at the ground each day of competition.

Except for local ground rules (as per the "Club Rules and Game Rules") play will comply with the rules of the "Federation Internationale de Petanque et Jeu Provincial."

Description

The format will be an 'Hour of Power'. This is a fun social competition with the aim of climbing cleanly as many climbs as possible in 60 minutes. The climbs will be completed on auto belays. Points for each climb will be awarded based on difficulty. A grade 10 is worth 10 points and a 21 worth 21 points, but the grades are not revealed until the end of the competition. Competitors attempt to climb as many climbs as possible within one hour. Points can only be awarded for each climb once, but competitors can have as many attempts as they need to get to the top. After each attempt, the competitor must go to the back of the queue before the next attempt. At the end of the 60 minutes, competitors may finish the climb started so long as all limbs are off the ground. In the event of a tie, a speed climb decider will be used.

Venue, Date and Time

Friday 31st March 2023 – 0900hrs to 1300hrs.

Lunch will be provided at the conclusion and is included in the entry fee.

This event will be conducted at Gravity Worx Indoor Climbing Gym, 182 – 184 Sussex Street Pascoe Vale Vic 3044.

Ph: (03) 9350 1789

www.gravityworx.com.au

Facilities

Toilets, shower, and change facilities are available on site. Cold drinks are available for purchase and there is a water fountain. Free parking is provided on site and is accessible from Sussex Street.

Special Instructions

Harness, shoes, and chalk can be hired on the day at Gravity Worx, or competitors can bring their own.

If hiring gear, socks must be worn to meet hygiene regulations. Comfortable clothes to exercise in such as gym wear works best. Long hair must be tied back and jewellery to be removed from necks hands and dangly earrings.

Some warmup time pre competition is recommended. A brief 15-minute safety instruction and competition rule debriefing will be conducted

Teams and Judging

Individual competition with scores tallied by Gravity Worx staff at the conclusion of the event. Competitor brackets will be established once numbers etc. are known.

Other Information

Indoor rock climbing is a recent addition to the Olympics and is becoming increasingly popular and accessible with the opening of many new climbing gyms in Victoria. Climbing is a test of fitness combining power and endurance with problem solving skills to find the fastest and most efficient path to the top of the wall.

Entry Form Information

As per traditional Notice of Race (NOR) which is the usual and expected format.

Teams Information (if applicable)

This is not a teams event. Medals (First, Second and Third places) will be awarded for each of the four Divisions as follows:

Division 1: Multihulls – Yardstick 77 and under

Division 2: Multihulls – Yardstick over 77

Division 3: Monohulls – Yardstick 99 and under

Division 4: Monohulls – Yardstick over 99

Division definitions may change based on types and numbers of classes entered.

Other Information/Special Instructions (if applicable)

Depending on the number of entries received, the event can take one of several formats...

1. If over 30 entries, McCYC will run 5 races over two consecutive days of a weekend with all domestic sailing suspended to focus solely on this regatta. Day 1 racing will commence at 1330 hours (to allow competitors to travel, arrive and rig if choosing to do so on the day.) Two races on a triangle-windward/return to be run. Day 2 racing will commence at 1030 hours with the same course configuration. Three races to be run with Presentation to follow. Race times for the first competitor aimed at 40 minutes. A competitors worst score to be dropped at the completion of 4 races.
2. If fewer than 30 entries, McCYC will incorporate Day 1 of the regatta (1430 start) into the domestic race programme by adding relevant divisions to the start sequence. (IE – Club divisions will start in 3 minute intervals followed by P&ESG Divisions). Day two will follow as per option 1.

The club has the capacity to host a social even on the Saturday night at individual additional expense.
3. The Club will also offer 8 boats (6 monohull "Pacers" and 2 Catamaran "Hobies" for lease with a view to increase participation by competitors who don't currently own a boat.

Venue, Date & Time

This event will be held on **Wednesday 29th March, 2023** at 0900 hours start until approximately 1700hrs.

The venue for this event will be the State Football Centre (Darebin International Sports Centre), 281 Darebin Rd, Darebin. Participants will be contacted by the Sport Coordinator before the start of the event if there is any change.

Teams participating in the Mixed event must have a minimum of two female players registered and must field a minimum of two female players at all times. If a team cannot field two female players during a game (due to injury etc), that team must play with a corresponding lesser number of players (i.e. if a team only has one female player available for a game, that team must play that game with 1 female player and a total of not more than six-a-side).

Facilities

3 x FIFA approved synthetic pitches and 1 x grass pitch will be used. There are toilets, change facilities and showers available. The Café Pavilion will be open all day and can cater for a wide variety of dietary requirements. Competitors are requested to use the café for all food and beverage purchases throughout the day. There is a large car-parking facility.

Special Instructions

The competition is a seven-a-side, outdoor event, played on both artificial and grass half size playing fields. Rules will be similar to previous event rules and will be forwarded to team captains as soon as the league has been finalised. A strictly limited number of teams will be allowed, so teams should register as soon as possible. Teams must register a minimum of seven players to be accepted into the competition.

Teams

A limited number of teams will be accepted to ensure optimum playing time. Entries will be accepted on a first in best dressed basis and late entries will not be considered.

Entry Form Information

As the per the General Information & Conditions of Entry. All teams must be registered online prior to the event. No entries will be received on event day.

Description

Track and Field for 2023 will be a one-day event at the Box Hill Athletic Track at Hagenauer Reserve Barwon Street Box Hill. Competitors are asked to arrive early and check in at registration, to confirm events.

Competitors must report to the marshalling area when called by the Marshall. A competitor who does not report after his/her name has been called twice may be scratched from the event.

Competitors who wish to voluntarily scratch themselves from an event should notify the Marshall half an hour prior to event.

Information boards will be updated frequently, and announcements will be given over the public address system, but the onus is on the competitors to be at the marshalling area when their event is called.

There will be two medal presentations on the day -

Morning Session: Lunch Time

Afternoon Session: At the completion of the last event.

At lunchtime there will be a fun event of the 4 x 100m relay which will be organised on the day

Events not included in this year's program are: Steeplechase, 4 x 200m relay, 4 x 400m relay and Hurdles.
