# Patron's Welcome

Entering its 43rd year of competition, the Victoria Police and Emergency Services Games are shaping to be another successful tournament with over 4,000 participants set to compete this year.

The 2023 Games held across Regional and Metropolitan Victoria brought together 3,963 participants competing in events including basketball, cycling, crossfit, half-marathon and powerlifting. Commencing on Sunday 20 October 2024 with a line-up of 42 events, the 2024 Games will be the scene of fierce competition for our emergency services athletes.

I am pleased to announce a joint initiative with Tennis Australia which will see the games launched at state-of-the-art facilities at Melbourne Park, showcasing the talents of our tennis players and the growing popularity of Pickleball, the latest addition to the sports schedule.

It is encouraging to see the popularity of our Emergency Services Games continuing to grow each year. The benefits of sport go beyond just health and fitness. Sport has a positive impact on our mental health and wellbeing, our culture and our community. It builds a sense of teamwork and belonging for everyone involved. These games continue to play a significant role in the emergency services sector, providing an opportunity for participants to challenge

themselves and encourage each other as they strive to do their best in their chosen field of competition.

Australia is celebrating its Olympic and Paralympic Games success on the back of the achievements of our athletes in Paris this year. I hope each of the participants take inspiration from those participants pushing themselves further to achieve results they will be proud of. I also encourage those not competing to attend the games and show your support for the competitors.

I would like to take this opportunity to thank Inspector David Wilkins for accepting the role as interim President to the Federation and for his unwavering commitment and support of the games for over four decades. Inspector Wilkins will be well supported by the new incoming Sports Administrator Phil Shelley who brings a vast range of experience in sports administration and sports academy management. Best of luck to you both for another strong year of competition.

A huge thank you to the outgoing President, Emergency Services Commissioner, Rick Nugent APM for his support, passion and effort leading the Victoria Police and Emergency Services Games for the past five years.

I wish all the participants a safe and successful Games.

Take your marks....

**Shane Patton, APM**

Victoria Police*

# President's Welcome

Congratulations to everyone who took part in the 2023 Games. There was wonderful camaraderie between the agencies and participants which confirmed why these Games are so important to Emergency Services personnel.

The VPGF Committee and its stakeholders and importantly our sporting events coordinators are hard at work preparing for the 2024 Games. I am excited to introduce Pickleball which is enjoying a significant surge in popularity, both globally and in Australia. Pickleball combines elements of tennis, table tennis and badminton, and has become particularly appealing due to its accessibility and social nature. I also look forward to continuing our strong partnerships with venues, local clubs and associations, local councils, and state and national sporting associations.

I am extremely grateful for the sustained support of our corporate partners and thank them for their investment in the 2024 Games. ESSSuper, APS Benefits and BankVic are continuing as valued partners. Web developers FUSESport will again provide their generous support for our online registration portal and Games website. Their contribution is vital and will ensure that up-to-date information is available for all events and activities throughout the eight days of competition.

To our participating agency CEOs, senior executives, and leaders, thank you for continuing to encourage your members to prioritise their health and wellbeing by taking part in the Games.

Lastly, the Games are significant due to the diverse range of competitors coming together from participating agencies to be part of the fun. I encourage everyone to consider how they may contribute in the 2024 Games to ensure they are a resounding success. Join with a friend, form a team, make a commitment to compete yourself, or encourage others to participate or volunteer.

**David Wilkins MLM**

*Inspector – Victoria Police  
President, Victoria Police Games  
Federation (VPGF)*

As the Interim President of the Victoria Police Games Federation (VPGF), I proudly invite all police and emergency services personnel to participate in the up-coming 2024 Victoria Police and Emergency Services Games in venues across Melbourne and regional Victoria. On that note, the VPGF sincerely thanks our former President, Emergency Management Commissioner Rick Nugent APM for his 5 years of leadership, commitment and passion in driving the VPGF and VPESG to what it is today. We also thank our outgoing Sports Administrator, Amy Woodland for her time in the role over the past two years and welcome our new Sports Administrator, Phil Shelley.

We all know the benefits of an active lifestyle and the positive impact it can have on our physical and mental health and wellbeing. Finding time for family, friends, sport, or exercise is a challenge we all face, but it is particularly important for those working in the emergency management sector. The Victoria Police and Emergency Services Games are about more than competition – they are an opportunity for us to come together, prioritise our own physical and mental health, and invest in the friendships that characterise the spirit of the Games.

The 2024 Games mark our 43rd year where it will host 42 sports comprising 178 unique events catering for about 4,000 participants in age groups from 18 to 80+. It is pleasing to see our numbers are progressing each year to our pre-Covid numbers.

**Registration and entry** to the 2024 Victoria Police and Emergency Services Games is on-line ONLY. To register, please go to [www.emergencyservicesgames.org.au](http://www.emergencyservicesgames.org.au). All registrations and payments for events are done through the online portal. All participants will be required to create their own new account or use their previous account. Registrations for all events will open in August 2024 and close 19th October 2024. The Games will run from 20th October to 27th October 2024.

There is a standard registration fee of \$10 per participant and is required upon registration. Payment of this fee covers:

- Registration processing
- Website development
- Administrative and volunteer costs

**Sports fees** are also required and are applicable to each sport and competitors may enter as many sports as they wish, paying the appropriate sport fee for each sport.

Payment of this fee covers:

- Medals
- Venue costs
- Equipment and catering costs
- Umpires, officials and prizes

**Payments** are only accepted online via the registration portal. The portal uses the PayPal gateway so participants can either use their PayPal account to pay their fees or payment can be made via credit card. No payments of cash will be accepted at any events.

**Event Entries on the day:** Entry into events on the day of competition, at the event venue, will generally not be permitted. Competitors must have registered and paid online prior to the commencement of the event as specified above. Some exceptions do apply – please contact the relevant Sports Coordinator.

Enquiries regarding your individual sporting event are to be directed to the respective Sports Coordinator in the first instance. For any registration queries or general information about the Games, contact the Games Manager on 0455 428 283 or via email to [info@emergencyservicesgames.org.au](mailto:info@emergencyservicesgames.org.au).

**COVID Guidelines:** The Victoria Police Games Federation is committed to providing a healthy and safe Games environment. All participants, as well as officials, coordinators, volunteers, and support staff are urged to observe all the latest public health

notices regarding Coronavirus. If you develop symptoms and feel unwell, do not attend your event/s. Contact the VPGF Games Office where you can claim a refund for not attending due to COVID. Guidelines for current best practice are available here. Should the State Government position on COVID change we will communicate that and any subsequent updates to our policy to all participants.

### Refund Policy:

Refunds will be granted under the following circumstances:

- Should a registered participant seek a refund prior to the official close of registrations (19/10/24), they will be granted a refund of the **relevant sport/s fees only** unless otherwise at the discretion of the Games Manager.
- Participants must notify the relevant Sports Coordinator or the Games Manager by email or phone call at least **two days prior** to their event. In this case, a refund of the **relevant sport/s fees only** will be granted if they can't compete due to illness or injury; family tragedy; unexpected 'on duty' requirements or emergency situations; or any other circumstances to be considered by the Games Manager.
- Participants are only eligible for a **full refund (registration & sport fees)** if:
  - their event is cancelled or moved to another day and they can't compete.
  - If a competitor has entered an event after the maximum number of competitors has been reached, but before the advertised close of entries (if this event is the only event they have entered).

Should a registered participant fail to compete and not notify their Sports Coordinator, or the Games Office of their absence as described above, they are not entitled to a refund of any kind.

Any refunds will be processed through the Fusesport online system and Paypal gateway with refunds returning to the original credit card that was used when registering.

**Event Cancellation:** Any sport or event may be cancelled by mutual agreement between the respective Sport Coordinator and the Games Federation. It is the responsibility of the Sports Coordinator to contact all competitors when an event is cancelled. Agency Representatives are also available to assist in this instance. In these circumstances a full refund of the registration and sports fee will be made available to the individuals concerned.

### Maximum/Minimum Number of Participants:

Some sports may set a maximum number of participants due to competition and /or venue restrictions. If a competitor has entered an event after the maximum has been reached and was received late and after the advertised close of entries, the entrant shall only be eligible to receive a refund of the sport fee. Every sport has a minimum number required for the competition to proceed. If a minimum number is not reached, then the sport will be cancelled. In this case, the event cancellation policy will apply

Public Liability Protection: All sporting events in the Games are covered for Public Liability Insurance under the banner of Victoria Police.

### Personal Injury Cover:

**Victoria Police:** The Victoria Police Games Federation **strongly encourages** all participants to have their own private health insurance including Ambulance cover. For Victoria Police employees only competing in the Victoria Police and Emergency Services Games, should an injury occur, they are entitled to submit an injury claim to their relevant WorkCover representative.

Whilst Victoria Police may have some influence over whether a claim is supported, ultimately the decision on claim acceptance is made by WorkSafe's delegated WorkCover Insurance Agent to determine if there is liability for a claim under the WIRC Act which is the relevant legislation.

Victoria Police members are encouraged to contact their WorkCover consultant or the Games Office for further information.

**Other Participating Agencies:** Participants from all other affiliated agencies outside of Victoria Police are not covered under the above policy. Participants need to check with their own agency regarding any personal insurance cover whilst participating in the Games.

Injuries that occur as a result of participating in the 2024 Games must be reported to the Sports Coordinator as soon as possible and recorded using a specific 'Injury/Incidence Report' form.

All competitors should be in a healthy physical condition and ready for competition to maximise enjoyment and to minimise personal injury. If unsure, or competing in strenuous competition, please consult your physician before commencing competition.

**Appeals and Protests** by competitors shall be made in the first instance to the Sports Coordinator of their event. The Sports Coordinator has total control over the running of their event on the day. Should a mutual resolution not be made, the competitor can lodge a further appeal in writing to the Victoria Police Games Federation Executive Officer within 24 hours of their event. The VPGF will then investigate and notify the competitor and Sports Coordinator of the result.

If the presentation of medals is affected by the possible results of a protest/dispute, the awards shall be withheld pending the Protest/Dispute decision.

**On-Duty Status:** All participants should check with their agency representative about their on-duty status when participating in these Games. All agencies will have different policies and it is at the discretion of each agency as to whether this applies.

**Changes to Events Policy:** The Victoria Police Games Federation reserves the right to alter or make changes to the times, dates, locations, and event programming wherever and whenever necessary. Notification of any changes will be supplied to an affected competitor and placed on the website.

**Alcohol and Drugs:** The use of banned performance enhancing substances and methods by competitors (as listed by the Australian Sports Drugs Agency) is prohibited for the Victoria Police and Emergency Services Games. Furthermore, Sports Coordinators may prohibit any person from competing in any event or competition if in their opinion that person is displaying the effects of alcohol.

**Blood and Infectious Disease Policy:** All cuts and abrasions must be reported to the Sport Coordinator immediately and first aid treatment applied. A competitor who is bleeding or has blood on their clothing must immediately leave the playing area and seek medical assistance. The bleeding must be stopped, the wound dressed and blood on the player's body or clothing cleaned off before

they return to the game. Play must cease until all visible blood is cleaned up. Sport Coordinators have discretion as to whether any contaminated clothing or equipment will need to be replaced prior to the competitor being allowed to continue in the competition. A competitor may only return to competition once the Sports Coordinator is confident all the steps listed above have been taken.

**Officials,** Coordinators & Volunteers will be identified by distinctive clothing/badges, and they should always be treated with the utmost courtesy. Participants are asked to follow their directions at all times.

**Spectators** will not be permitted onto the Field of play at any venue unless approved by the Sports Coordinator. Spectators are encouraged to support all competitors on event days. Assistance is requested from all parents to supervise their children in the vicinity of all sporting areas.

**Photographer:** An official Games photographer will attend various sporting events. Photographs & videos will be available for private viewing upon completion of the Games. There may also be other photographers at events which have been organised by the Sports Coordinator and approved by the Games Office. By consenting to participate in the 2024 VPES Games, you are granting permission to use any image involving yourself for promotional material.

**Security:** All Sports Coordinators are responsible for securing their venues and equipment against damage. Competitors are responsible for their own property. Each sport also has its own 'Security Strategy' devised by the Sports Coordinator and submitted to the Games Office prior to their event/s commencing. The VPGF also asks every participant to be aware about the need for increased vigilance when conduct sporting events in today's environment. Competitors are asked to have their agency identification with them at the events they are competing at. Should the relevant identification not be shown when asked by the Sports Coordinator, then the individual may be asked to leave the premises and not take part in the Games.

**Risk Management:** The Games Federation has a commitment to use risk management practices to support and enhance all the sporting events in the Games. A 'Risk Management Action Plan' and 'Facility Safety & Game Day Readiness Checklist' is completed by each Sports Coordinator to ensure that sports event venues are 'fit for purpose', and

action plans are designed to reduce the likelihood and consequence of injury. Further to this Sports Coordinators now include a 'Security Strategy' as part of their action plans as mentioned above.

**Results** of all events and sports will be posted on the Games website under the "Results" section as soon as they have been received by the Games Office from the Sports Coordinators. Coordinators are asked to finalise their results and send them through as soon as possible.

**Medal Presentations** will be made at the conclusion of the final of each event or at the discretion of the Sports Coordinator. Placegetters who do not attend medal presentation ceremonies MUST arrange delivery of their medals through the Sport Coordinator. The presentation for the Chief Commissioner's Trophy and the Inter-Services Trophy will be made at the discretion of the VPGF Executive. The winners will be acknowledged at the launch of the Games for the following year.

### Victoria Police Games Federation Chief Commissioner's Trophy & the Inter-Services Trophy

As there can be a large difference in the number of personnel attached to each Agency and Police Department, the weighting factor ensures that all Agencies/Departments compete on an equal basis. This weighting factor better reflects the participation rates of staff within the Agencies/Departments, making the process fairer overall. This process incorporates a participation percentage, bonus points for competitors who enter more than one event, and medal points for placings. The trophies will be awarded to the Agency/Department gaining the highest number of points (combination of total participation and medal points). Every member of a competing agency taking part in the Games will earn participation points for his or her agency/department and medal points for placings. Victoria Police entrants to the Games MUST nominate the region, department or command to which their points are to be awarded upon registration.

Retired Police Veterans are not eligible to compete for The Chief Commissioner's Trophy whilst retired emergency services personnel and volunteers are eligible to compete for the Inter-Services trophy if they meet the respective criteria.

Scratching's will automatically penalize the Agency the equivalent participation points. Withdrawals due to illness or injury will not attract a penalty.

**Calculating Bonus Points and Total Participation Percentage.** The bonus points for each agency are based on the average number of entries per competitor per agency

For example: **Agency/Department** A has 100 staff members, 50 competitors and 75 entries. The percentage of employees competing is 50%, and the average number of entries per competitor 1.50. The average number of entries per competitor is applied as a weighting to the participation percentage to give a total participation percentage of 75%. The total participation percentage is then ranked from highest to lowest, and agencies assigned a rank score.

**Bonus Points.** Medal points will be awarded to place getters as follows: 1st (5 points), 2nd (3 points) and 3rd (1 point). Each agency's total number of medal points is added up and ranked from highest to lowest and agencies assigned a rank score. More information on the allocation of points can be found in clause 11 of the Conditions of Entry.

**Overall ranking.** The rank scores from the total participation percentage and the medal points are then added together, and the Agency/Department with the highest score wins.

- 1.2 Other emergency service agencies can apply for eligibility and if successful are able to compete upon invitation to attend these Games.
- 1.3 The Victoria Police Games Federation reserves the right to refuse entries from any individual or agency.

## 2. Participant Eligibility

- 2.1 Participants over the age of 18 from eligible agencies may only compete if they satisfy one or more of the criteria below:
- a) They are a current or retired sworn or unsworn member of Victoria Police (including PSO's & PCO's)
- b) Have a Law Enforcement or Emergency Response role as specified in their key accountabilities section of their job description
- c) Are an active and registered volunteer for at least 12 months prior to the Games and have completed the appropriate training for their organisation

- d) retired member of an agency (except Victoria Police, see 2.1a) must have had 10 or more years' service to that agency prior to resignation. These members will be referred to their Agency Representatives.
- 2.2 Where a member of the Victoria Police resigns and wishes to take part in further Victoria Police and Emergency Services Games, consideration will be given to a member's history of involvement in previous Victoria Police and Emergency Services Games, and the years of service. Applications must be made in writing to the VPGF Office prior to registration.
- 2.3 The Committee of the Victoria Police Games Federation Inc. may by resolution, caution counsel or reprimand a member of the Federation or may expel or suspend a member from involvement in the affairs of the Federation, which shall include competing at the Games. This includes members that:
- (a) have refused or neglected to comply with the Rules of the Federation; or
- b) have been found guilty of discreditable conduct or conduct prejudicial to the interests of the Federation, in accordance with Clauses 21 of the Rules of Management of the Federation.
- c) Any competitor who is currently under suspension from their agency is not permitted to enter. In addition, where a competitor is suspended after having registered for the Games, the onus is on the competitor to declare that suspension to the Victoria Police Games Federation and withdraw from the Games.
- 2.4 The VPGF reserves the right to refuse entries from any person
- 2.5 Other non-affiliated Emergency Service personnel who comply with clause 2.1 can make an application to the Games Manager for consideration of their eligibility.
- 2.6 As per Victorian Government Health directions, all participants must be vaccinated from Coronavirus prior to the commencement of the Games (except if a medical exemption applies). Proof of vaccination status may be required prior to commencing any entered event or entering any facility. This clause also includes

coordinators, volunteers and support staff.

- 3.1 Victorian Police Protective Services Officers (PSO) will compete for **Transit & Public Safety Command** as their department. Police Custody Officers (PCO) will compete for the Regions in which they are managed from.
- 3.2 Victoria Police individuals MUST register for the region, command or department they are assigned to at the time of registration. Members attached to PCETS MUST compete for the region where they are located at the time of entry.
- 4.1 Entries officially close on Saturday 19th October 2024. Some sports may accept late entries however this will be at the discretion of the respective Sports Coordinator. All entries are via the online registration system and payment must be made to complete the registration process. Credit Card (Mastercard or Visa) or PayPal account are the only forms of payment. For information on refunds, please check the Refund section contained within the General Information document.
- 4.2 Entry fees may vary from sport to sport and are put towards the running costs of the event, such as medals, venue hire and payment of officials etc. Fees for some sports will be the basic entry fee plus "pay as you play" costs. Entry fees are listed with the events, along with those listed as "pay as you play".
- 4.3 Sports co-ordinators will not accept a team entry unless full administration / registration details of all members of the team have been received, and full payment has been made.
- 4.4 The Games will be conducted at various venues throughout Victoria between 20th October and 27th October 2024 inclusive. A Schedule of Events is listed on the Games website ([www.emergencyservicesgames.org.au](http://www.emergencyservicesgames.org.au)) and in the Games Information booklet.
- 5.1 All employees of Victoria Police are required to participate in their own time and at their own expense. Victoria Police employees should check the information regarding Personal Accident Insurance which is contained in the General Information for Participants document.

- 5.2 All other participants from affiliated agencies are not covered under the Victoria Police policy therefore need to refer to their own agency internal leave policy and insurance cover. It is recommended that you discuss any issues with your agency representative or private insurance contact. More information is provided on the General Information for Participants page.
- 5.3 Any person employed by Victoria Police who competes in The Games whilst on sick leave WILL NOT be eligible for the Personal Accident and Public Liability protection and competes at their own risk. Employees on sick leave who wish to compete will need to provide medical clearance first.
6. Age/Sex/Unisex Divisions apply to some individual events. The placegetters in each age/sex/unisex division will be awarded medals. The divisions are:
- OPEN
- 18 – 18 to 29 years inclusive
- 30 – 30 to 34 years inclusive
- 3+: 30 years and over
- 35 – 35 to 39 years inclusive

# CONDITIONS OF ENTRY

The age groups above apply to male, female and unisex competitors in the relevant events and are identified by the letters M and F respectively throughout the program and are to be taken as at 20th October 2024.

7. All entrants are reminded that they are eligible to enter both their own age group and the open age group but must pay the entry fees for BOTH age groups. They may be required to compete in BOTH age groups, except in the case of Cross Country and Cycling events where entries will only be accepted in age groups, and the Open age group (if available) will be decided by times. Swimming events, both Open Water and Pool, entries will only be accepted in age groups.
  8. Females will compete against females unless they specify that they wish to enter a mixed OPEN or unisex event. Some events may combine various age/sex divisions e.g. 5000 metres.
  9. Where insufficient entries are received in age group events, the entrant will be offered the opportunity to participate in a lower age group.
  - 10.1 Participants representing Victoria Police in non-individual events are encouraged to be registered with members from the same department so that they can achieve bonus points as per clause 11 below.
  - 10.2 Participants from all other agencies competing in non-individual events can compete without representing a particular region or department due to the smaller number of participants representing them in comparison to the numbers representing Victoria Police. Competitors may only compete in one team per sport on the day of their event. Team members SHOULD play in the preliminaries to be eligible for the finals. The end decision rests with the Sports Coordinator.
  - 10.3 Where a person wishes to compete in a non-individual event and is unable to locate sufficient numbers to make up a region or department team, or doubles event, their entry will be set aside until after the closing date for entries. A draw will then be conducted from those individual entries with the view to making a composite team and that entrant will be able to compete in the Games.
11. **Bonus Points**
    - 11.1 Bonus Points are awarded in all events with 5 points going to 1st place, 3 points to 2nd place, & 1 point to 3rd place. Bonus points help determine the winners of the Inter-Services & Chief Commissioner's Trophies.
    - 11.2 In all individual events, the participant earns the bonus points for their agency whilst Victoria Police participants also earn bonus points for their department.
    - 11.3 In all non-individual events/team events, Bonus Points will be allocated this way:
      - a) Only 1 set of bonus points will be allocated to an agency per non-individual/team event to the 1st, 2nd & 3rd placegetters (eg. winning team will get 5 points only to their agency and will not be individually allocated to the participants). These points will be included in the calculation for the Inter-Services Trophy. Where there is more than 1 participant from a different agency involved in the makeup of the entry, the bonus points will be awarded to the participant and their agency who setup the online entry (eg. team manager or captain).
      - b) Where a person wishes to compete in a non-individual/team event with members from another region or department within Victoria Police, they will each be granted Bonus Points towards their department should they place 1st, 2nd or 3rd, with these points contributing to the Chief Commissioner's Trophy. Clause 11.3a will apply when calculating points for the Inter-Services Trophy.
  12. By participating in the Victoria Police & Emergency Services Games, you give permission for the Victoria Police Games Federation to use any photo and/or video of you participating for promotional material. Please note that no photo will be used of any participant who is in their work attire nor will any names associated with any photo/video be published.

# VPGF AWARDS

## The Stuart Taylor Memorial Award

This award is presented each year for the "Best Performance of the Games". This trophy is awarded for excellence not only in the field of competition but also for enthusiasm and willingness to be involved in all aspects of the Victoria Police and Emergency Services Games. The Taylor family has recently handed over the responsibility of selecting the winner to the Executive of the Victoria Police Games Federation, who will take all matters into consideration when making their decision. ## The Bob Degg Volunteer of the Year Award

This award was established just prior to the 2007 Games to recognise the outstanding efforts and achievements of Sports Coordinators, Agency Representatives, Games Officials, Massage Therapists and other volunteers in helping to conduct the annual Victoria Police & Emergency Services Games. The volunteers are the lifeblood of the Games Federation, and without their contribution the Games would not be the success it is today.

This award is sponsored by major sponsor APS Benefits and presented to the winner at the annual launch of the Games.

This award provides a wonderful opportunity for the Victoria Police Games Federation to recognise volunteers who go 'above and beyond' to create a sense of unity and wellbeing; who embrace the spirit of friendly competition and provide support for all involved in the Games.

## INSPIRE ENGAGE EQUIP

young people to be their best self

When people hear "Blue Light," they think of the iconic Blue Light Discos—80s music, fluoro t-shirts, blue eye shadow, and maybe even that first kiss in a dark corner. But Blue Light is about so much more than discos and nostalgia; it's about connection.

For nearly 50 years we have worked with young people, connecting them with positive community role models in engaging programs and fun activities, so they can live out their full potential. As one of the only youth organisations partnering with police and emergency services, we provide young people with unique learning experiences not offered by other youth programs. This collaboration gives unparalleled opportunities for young people to build resilience, personal growth and the ability to make healthy and safe decisions.

We provide programs in primary and secondary schools, one to one mentoring and a range of fitness and social activities. Annually over 14,000 young people across Victoria benefit from our work and the strong connections that they make to local community.

*"My biggest takeaway is that I have a lot more in me than I think. I gave up too easily before but now I am willing to give myself a challenge."*

-Student

*"The students generally became more confident, not only with each other, but with police and teachers, which shows their growth in recognising we are all just people."*

-Victoria Police member

*"In the company of these students, I genuinely felt appreciated, respected, and admired—such an incredible honour and gift to any paramedic involved in this program!"*

-Ambulance Victoria member

We act early to have the greatest impact, empowering young people to make positive choices, connect, care and contribute.

## Description

This year's event is a 3hr Cross Country Marathon (XCM) race on some sweet single track in the small town of Eildon – trust us, this is a hidden gem! E-bikes are welcome with a separate category.

Racing will take place in either age group categories, open male and female (E-bike only). The trails will be rideable wet or dry and are suitable for everyone from beginners to experienced riders.

Thinking that 3-hours in the saddle is a bit much? We also offer a Short Course Come and Try event (1.5hrs – similar to a traditional Cross Country Olympic race). This is aimed at any eligible emergency services workers simply wishing to participate, try their hand at racing or just have a ride with friends in a safe and controlled environment.

## Venue, date and Time

Venue: **Eildon Mountain Bike Park**, Eildon, Vic

\Date: **Saturday 26th October 2024**

Time: Race start at **11:00 am**

The track will be released in due course and will be suitable for all riders. Further information on the trails can be found at: Eildon MTB Park - Trailforks

## Facilities

Toilets and parking are available at the venue. The main town is a short ride, and the local bakery is fairly good.

If you are planning to stay a night before or after, it's advisable to plan ahead for dinner as local options are limited.

## Special Instructions

A detailed 'rider information pack' will be sent to all entrants within 2-4 weeks of the event.

All riders must have a current AusCycling Race Membership or purchase a Race Day Licence.

Race day licences or the 4-week free trial can be purchased online for new members. Please note that race day licences are only valid on the day of purchase! Full face helmets are not required.

## Teams & Individual Events

You are now required to enter and pay online for both individual and team events i.e. payment is now required for both individual and team events.

## Entry Form Information

Could all competitors please provide THEIR personal, or agency address on entry to facilitate the sending of the ride information pack, prior to the event.

## Description

Petanque is also known as boule or bocce and is the fore runner of lawn bowls. The game is played on a hard packed clay or gravel surface where metal balls (boules) are thrown into the air or along the ground with the aim of landing closest to the jack.

## Venue, Date and Time.

Venue: **St Kilda Petanque Club, 66 Fitzroy Street, St Kilda.** (Part of the St Kilda Sports Club – near the corner of Fitzroy Street & Canterbury Road).

### Doubles

Day 1: **Tuesday 22nd October at 08:30 am.**

### Triples

Day 2: **Wednesday 23rd October at 08:30 am.**

**Please notify the coordinators at the ground of your arrival to enable the day's draw to be finalised.**

Any complete teams not at the ground at the start of competition will incur a penalty. Competition will commence as close as possible to 9.30 am.

Medals will be presented at the end of each day's competition.

## Facilities.

### Alcohol.

Licensed bar at venue. No BYO alcohol permitted under any circumstances. Any person with BYO alcohol may be asked to immediately leave the club grounds by staff of the St Kilda Sports Club. That competitor will then forfeit any right to compete in any further events on that day.

### Parking.

There is a large amount of "meter" car parking immediately next to the St Kilda Sports Club and several multi story car parks in Fitzroy Street.

### Food.

There are numerous restaurants and cafes in Fitzroy Street.

## Teams & Individual Events

You are now required to enter and pay online for both individual and team events i.e. payment is now required for both individual and team events.

## Special Instructions

### Team/Game Description.

**Doubles** – Teams will consist of two players who will play with three balls each.

**Triples** – Teams will consist of three players who will play with two balls each.

Teams can be all male, all female, or a mixture of both. If there are 15 or more teams in either of the events (Doubles or Triples) then that event will have an "A" Grade and "B" Grade.

Medals will be presented for each grade.

**Time limit during games.** One minute between play.

Time limit of games. All qualifying games will have a forty-five minute time limit. There will be no time limit for the medal games. Having time limits on qualifying games is the current practice recommended by the "Federation Internationale de Petanque" for all competitions.

**Bye/Forfeits.** Any bye/forfeit will be scored as a 13 to 9 point win.

**Boules.** Social boules (balls) are permitted. For any competitors who do not have their own boules a limited supply of extra boules will be available (at no charge) from the coordinators. Jacks (cochinets) can be purchased for \$4.00 at the ground.

**Footwear.** Footwear should cover/protect the toes – such as sneakers, shoes, boots or similar.

### Other Information.

Each day, prior to the start of competition, the Sports Coordinator will give a full explanation of the "Club Rules and Game Rules" (including the "A" and "B" Grade draw and the rules regarding time limits).

If a competitor would like a copy of the document "Club Rules and Game Rules" prior to that date, please contact the Sports Coordinator at Ron.Penney@justice.vic.gov.au

Except for local ground rules (as per the "Club Rules and Game Rules") play will comply with the rules of the "Federation Internationale de Petanque et Jeu Provincial."

## Entry Form Information

## Description

Indoor climbing is a sport that takes place in an enclosed space, such as a gym or climbing wall. It involves climbing artificial walls that simulate natural rock, using climbing techniques and safety equipment.

The format will be an 'Hour of Power'. This is a fun social competition with the aim of climbing cleanly as many climbs as possible in 60 minutes. The climbs will be completed on auto belays. Points for each climb will be awarded based on difficulty. A grade 10 is worth 10 points and a 21 worth 21 points, but the grades are not revealed until the end of the competition. Competitors attempt to climb as many climbs as possible within one hour. Points can only be awarded for each climb once, but competitors can have as many attempts as they need to get to the top. After each attempt, the competitor must go to the back of the queue before the next attempt. At the end of the 60 minutes, competitors may finish the climb started so long as all limbs are off the ground. In the event of a tie, a speed climb decider will be used.

The hour of power will be followed by a medley event, a combination of bouldering, rope climb, and ladder climb.

## Venue, Date and Time

Date: **Friday 25th October 2024**

Time: **1000hrs to 1330hrs**

Venue: This event will be conducted at Gravity Worx Indoor Climbing Gym, 182 – 184 Sussex Street Pascoe Vale Vic 3044.

Ph: (03) 9350 1789

www.gravityworx.com.au

1000hrs – Arrival, check-in, warm-up, and safety briefing.

1030hrs – Hour of Power commences.

1130hrs – Hour of Power concluded – 15min break.

1145hrs – Medley event commences.

1215hrs – Medley event concludes.

1230hrs – Lunch and Awards Ceremony.

1330hrs – Event conclusion.

Lunch will be provided and is included in the entry fee.

## Facilities

Toilets, shower, and change facilities are available on site. Cold drinks are available for purchase and there is a water fountain.

Free parking is provided on site and is accessible from Sussex Street.

## Special Instructions

Harness, shoes, and chalk can be hired on the day at Gravity Worx, or competitors can bring their own.

If hiring gear, socks must be worn to meet hygiene regulations. Comfortable clothes to exercise in such as gym wear works best. Long hair must be tied back and jewellery to be removed from necks hands and dangly earrings.

Some warmup time pre competition will be provided and is recommended. A safety instruction and competition rule briefing will be conducted.

## Teams and judging

This is an individual event only.

## Other Information

Rock Climbing was included for the first time in the recent 2024 Olympic Games and is taking off in Victoria as Victoria is the only state to offer the speed route that was competed in at the Paris Olympic Games. Climbing is a test of fitness combining power and endurance with problem solving skills to find the fastest most efficient path to the top of the wall, usually following a dedicated designed pathway. Individual climbs can be designed to cater for a wide range of abilities from 5-year-olds and up to Olympic level.

## Teams & Individual Events

This is an individual event only and you are required to enter and pay online.

## Entry Form Information

## Description

Indoor Rowing races over both 500 and 1000 metres, shall be conducted on a Concept 2 rowing machine as provided at the venue. Events will be conducted in age categories, from youngest to oldest, and combined grouping will be allocated by coordinators, depending on entry numbers. A maximum of eight rowers will compete in each race. Pair racing will be conducted after individual racing and will include 'same sex' and 'mixed' competitors. Each of the pair's competitors will row the full 1000 meters. The racing program will configure an average, to give a combined result.

Competitors will row their age group and are permitted to row down, in younger age groups. However, if groups are combined, which is often the case due to competitor numbers, then one age group must be chosen by the competitor. For Example, you may row the Open age group and then your age group, if the events are over two separate races. It is more usual to row your age group in the Individual events (one or both) and then combine in a Pairs event with a younger competitor.) Remember the events can be quite gruelling, so please consider your fitness level, when entering multiple races.

Events will be conducted in the following order. 500 metre Individual (female, male), 1000 metre Individual (female, male), 1000 metre 'same sex' Pairs (female, male), Mixed Pairs. A Novelty Teams event will be offered at the completion of the competition proper, with prizes for the winning combination.

All events will be conducted by Rowing Victoria qualified personnel. These individuals are active and experienced in the sport of rowing and will have overall control of the competition, and any issues or disputes that may arise.

PLEASE NOTE: No additional entries will be accepted on the day. Please seek out other athletes/rowers from your Service (or other) and have your teams and events organised prior to the event.

## Venue, Date and Time

The Indoor Rowing event will be conducted at **Powerhouse Rowing Club**, 164 Alexandra Avenue, South Yarra.

Date: **Monday 21st October 2024**

Time: **1.00pm**

## Teams & Individual Events

Team events will be rowed over 1000 metres, with each team member rowing 1000 metres.

## Entry Form Information

In each event only one age category can be entered.

Could all competitors please provide THEIR e-mail address, or agency address on entry to facilitate the sending of the relevant rules? Preference for sending rules will be by e-mail.

## Description

Touch football is a fast-paced, non-contact variation of rugby, where tackling is replaced by a simple touch, making it a great sport with a reduced risk of injury. It's easy to learn, making it perfect for players of all skill levels - from beginners to advanced athletes.

Our competition will follow a mixed round-robin format, with the top four teams advancing to the medal games. Each team can register a maximum of 14 players, with up to 6 players on the field at any time. Teams are required to have a minimum of 2 female players on the field during play. A total of 8 substitute players are permitted, allowing for plenty of rotation throughout the game.

Whether you're new to the sport or a seasoned player, we invite you to join us for a fun and inclusive competition that promotes teamwork, fitness, and community spirit.

## Description

Track and Field for 2024 will be a one-day event at the Meadowglen International Athletics Stadium 146-156 McDonalds Road, Epping.

Competitors are asked to arrive early and check in at registration, to confirm events.

Competitors must report to the marshalling area when called by the Marshall. A competitor who does not report after his/her name has been called twice may be scratched from the event.

Competitors who wish to voluntarily scratch themselves from an event should notify the Marshall half an hour prior to event.

Information boards will be updated frequently, and announcements will be given over the public address system, but the onus is on the competitors to be at the marshalling area when their event is called.

There will be two medal presentations on the day -

Morning Session: Lunch Time

Afternoon Session: At the completion of the last event.

At lunchtime there will be a fun event of the 4 x 100m relay which will be organised on the day

Events not included in this year's program are Steeplechase, 4 x 200m relay, 4 x 400m relay, Swedish Relay, Pentathlon, Heptathlon and Decathlon.

## Venue, Date and Time

This event will be conducted at on Thursday 24th October 2024 commencing at 0800 hours and finishing approx. 1700 hours at Meadowglen International Athletics Stadium 146-156 McDonalds Road, Epping.

## Facilities

Toilets and Changerooms within the Track.

Canteen facilities including barista coffee will be available on the day.

## Special Instructions

The best performance will be recorded when competitors enter the open division, and their age group, e.g. A throw of 4m in open and 4.5m in age group, the result recorded will be 4.5m for both age groups.
